ARTICLE I -- PREAMBLE

Section 1. Meeting the educational needs of the children, youth, and adults of Miami-Dade County requires the full and effective cooperative effort of all members of the staff of the Miami-Dade County Public Schools.

Section 2. This Contract is between The School Board of Miami-Dade County, Florida, hereinafter called the School Board or Miami-Dade County Public Schools (M-DCPS) or the Employer, and the American Federation of State, County, and Municipal Employees, Local 1184, hereinafter called AFSCME, Local 1184 or the Union (an affiliate of Florida Public Employees Council 79 of the American Federation of State, County, and Municipal Employees, AFL-CIO), which represents employees as certified by order of the Public Employees Relations Commission (PERC) in Certification Number 600. The parties recognize and declare that quality service is necessary to provide a quality education. It is the intent and purpose of the parties hereto that this Agreement shall promote and insure a spirit of confidence and cooperation between the School Board and its employees.

Section 3. The School Board and the Superintendent of Schools have the constitutional and statutory authority, respectively, for the operation of M-DCPS in addressing the educational needs of M-DCPS.

Section 4. It is the purpose of this Agreement to provide, where not otherwise mandated by Constitution or Statute, for the salary structure, fringe benefits, and employment conditions of the employees covered by this Agreement; to prevent interruption of work and interference with the efficient operation of the school system; and to provide an orderly, prompt, peaceful, and equitable procedure for the resolution of differences; and the promotion of harmonious relations between the School Board and AFSCME, Local 1184.

Section 5. Nothing contained herein shall be construed to deny employees of their rights and/or obligations under State Law, State Board of Education Regulations, or current School Board Policies. Such Board Policies, as determined by the M-DCPS/AFSCME, Local 1184 Labor-Management Committee, shall subsequently be made a part of the contract by reference.

ARTICLE II -- RECOGNITION

Section 1. Pursuant to the secret ballot election held on February 10, 1983, and pursuant to the order of PERC RC-82-044 dated February 28, 1983, the School Board recognizes AFSCME, Local 1184, as the sole and exclusive bargaining agent of the employees within the bargaining unit covered by this Agreement for the purpose of collective bargaining in respect to wages, hours, and other conditions and terms of employment. Local 1184 is an affiliate of Florida Public Employees Council 79 of the American Federation of State, County, and Municipal Employees, AFL-CIO.

Section 2. Any position created, or any change in title of any position, shall not result in such position being excluded from the AFSCME, Local 1184 unit, except in the instance such position is designated by the School Board or the Superintendent of Schools to be managerial or confidential within the meaning of the Public Employees Relations Act (PERA). If such a designation is made, the position shall be excluded from the AFSCME, Local 1184 unit until such time as the designation of the School Board or the Superintendent is reversed by PERC.

Section 3. The provisions of this Contract are not to be interpreted in any way or manner to change, amend, modify, or in any other way to delimit the exclusive authority of the School Board and the Superintendent for the management of the total school system and any part of the school system. It is expressly understood and agreed that all rights and responsibilities of the School Board and Superintendent, as established now and through subsequent amendment or revision by constitutional provision, state and federal statutes, state regulations, and School Board Policies, shall continue to be exercised exclusively by the School Board and the Superintendent without prior notice or negotiations with AFSCME, Local 1184, except as specifically and explicitly provided for by the stated terms of this Contract. Such rights thus reserved exclusively to the School Board and the Superintendent, by way of limitation, include the following: (1) selection and promotion of employees; (2) separation, suspension, dismissal, and termination of employees for just cause; and (3) the designation of the organizational structure of the M-DCPS and the lines of administrative authority of M-DCPS.

It is understood and agreed that management possesses the sole right, duty, and responsibility for operation of the schools and that all management rights repose in it, but that such rights must be exercised consistently with the other provisions of the agreement. These rights include, but are not limited to, the following:

- A. Discipline or discharge of any employee for just cause;
- B. Direct the work force;
- C. Hire, assign, and transfer employees;
- D. Determine the missions of the Board agencies;
- E. Determine the methods, means, and number of personnel needed or desirable for carrying out the Board's missions;
- F. Introduce new or improved methods or facilities;

ARTICLE II (Cont.)

- G. Change existing methods or facilities;
- H. Relieve employees because of lack of work;
- I. Contract out for goods or services; and
- J. Such other rights, normally consistent with management's duty and responsibility for operation of the Board's services, provided, however, that the exercise of such rights does not preclude the Union from conferring about the practical consequences that decisions may have on terms and conditions of employment.

Section 4. Contracting Out

- A. It is the policy of M-DCPS to utilize its regular employees to perform work that is ordinarily and customarily performed by bargaining unit members; however, M-DCPS reserves the right to contract out any work it deems necessary or desirable to contract out.
- B. M-DCPS agrees that, when a Director-level administrator or above submits a written recommendation that bargaining unit work should be contracted out, a copy of such recommendation shall be sent forthwith to the Union. Thereafter, the Union shall be given full opportunity to have knowledge of the decision-making process(es) by which the contracting-out recommendation is being studied. The Union shall also be given full opportunity to engage M-DCPS in impact negotiations before any final contracting-out decision is implemented. If the Union fails to request impact negotiations within 15 calendar days of being provided written notice of a final contracting-out decision, such decision may be implemented.
- C. The parties agree that M-DCPS has the right to contract out up to 60 total pupil transportation routes for the 1999-2000 school year and each year thereafter.

M-DCPS shall provide notice to AFSCME, Local 1184 containing detailed information regarding routes, vendors, and terms of the prospective contract(s), prior to implementation of any contract for pupil transportation services. Routes contracted, pursuant to this Provision, shall be similar to M-DCPS' operated routes in their hourly duration (i.e., the average hourly duration of contracted routes shall be approximately equal to the average hourly duration of M-DCPS' operated routes). Such routes shall be identified and excluded prior to the bidding/assignment process. No M-DCPS employee shall be reassigned subsequent to the bidding/assignment process as a result of contracted routes. The provisions of subparagraph B above shall not apply.

ARTICLE III -- NO-STRIKE PROVISION

Section 1. Strikes and Work Stoppage

AFSCME, Local 1184 hereby agrees on behalf of its members and all employees of the unit it is certified to represent that it shall not authorize, initiate, or participate in a strike against the employer.

In addition, it agrees that neither it nor its members or employees of its certified unit shall support in any manner a strike against the employer by any other Union or group of employees.

For the purposes of this Article, "strike" means any extra legal or extra judicial effort which results in the concerted failure to report for duty; the concerted absence of employees from their positions; the concerted stoppage of work; the concerted submission of resignations; the concerted abstinence in whole or in part by any group of employees from the full and faithful performance of the duties of employment with a public employer, for the purpose of inducing, influencing, condoning, or coercing a change in the terms and conditions of employment or the rights, privileges, or obligations of public employment, or participating in a deliberate and concerted course of conduct which adversely affects the services of the public employer; the concerted failure to report to work after the expiration of a collective bargaining agreement, and picketing in furtherance of a work stoppage.

Section 2. Penalties

In the event the appropriate administrative and/or court proceedings determine that a violation of this Article has resulted, in addition to the penalties provided in Chapter 74-100, Florida Statutes, Chapter 447.507, the employer may immediately seek action from the Florida Public Employees Relations Commission (PERC) to:

- A. Revoke certification of AFSCME, Local 1184 as the bargaining agent of the unit;
- B. Revoke the privilege of payroll dues deduction; and,
- C. Seek the maximum fines permitted by law, with the intent that such fines would be used by the employer to replace those services denied the public as a result of the strike.

In addition, the employer shall treat violation of Article III as a breach of contract, with the effect that all organizational rights and privileges accorded AFSCME, Local 1184, its officers, or members, shall be suspended and revoked; however, it is agreed by the Board that AFSCME, Local 1184 shall not be responsible for any act alleged to constitute a breach of this Article if AFSCME, Local 1184 can show that it did not instigate, authorize, condone, sanction, or ratify such action, and, further, that it has used reasonable means to prevent or terminate such action by its members.

ARTICLE III (Cont.)

The officers of AFSCME, Local 1184, along with bargaining unit members of Local 1184, agree to abide by Florida Statutes, Chapter 447.505, in that they will not participate in a strike agreement against the School Board by instigating or supporting in any manner a strike. The officers of AFSCME, Local 1184 agree to take all necessary and reasonable steps, including the holding of a press conference, to bring about an end to any strike involving AFSCME, Local 1184 bargaining unit members. The failure of the officers of AFSCME, Local 1184 to seek an expedited resolution of the strike shall be evidence of the Union's support of said strike.

ARTICLE IV -- SERVICE TO AFSCME, LOCAL 1184

Section 1. The Board agrees to furnish AFSCME, Local 1184, a diskette of the names, addresses, classification titles, social security numbers, employee numbers, and work location codes of all employees in the bargaining unit. Additionally, the Board agrees to provide the Union with updates of this employee information at least twice a year.

The Board agrees to notify AFSCME, Local 1184, at least 30 days in advance, of any public hearing in which personnel matters relative to the unit are to be the subject of discussion.

Leaves of absence with pay shall be granted to those employees designated by AFSCME, Local 1184 to attend Union functions. The total amount of time granted to all employees cumulatively seeking leaves under this provision shall not exceed 260 working days in any contract year.

- B. The School Board agrees not to interfere with the rights of employees to become members of the Union. There shall be no discrimination by the School Board or any of its representatives (i.e., Superintendent or administrative staff) against any employee whose activity is permissible under law or this Contract and who is performing in an official capacity on behalf of the Union, or for any other cause.

Section 2. AFSCME, Local 1184 hereby acknowledges its obligation to properly represent the interest of all employees in the bargaining unit in accordance with law.

Section 3. AFSCME, Local 1184 agrees that, in the event of a change in its bylaws, the Superintendent shall receive a written copy.

Section 4. The Superintendent agrees to notify AFSCME, Local 1184 of any proposed amendment or change in any rule, policy, law, or statute that will affect in any way the employment conditions of the employees in this Unit. No such rule or policy shall be implemented during the term of the contract until agreed to by the parties.

Section 6. The President of AFSCME, Local 1184, or his/her designee, and the Administrative Director for Labor Relations or his/her designees, may meet and confer on matters of mutual interest and concern that are outside the provisions of this Contract. Such meetings may be initiated at the request of either group and are to be arranged at mutually agreeable times.

Section 7. Opportunity will be provided for the President of AFSCME Local 1184 and the Administrative Director for Labor Relations to meet periodically at mutually-agreeable times to plan effective procedures for implementation of this Contract, the arrangements for such meetings to be initiated by either party.

Section 8. Opportunity will be provided for the designated representatives of AFSCME, Local 1184, and each Regional Superintendent or his/her designated representative, to meet periodically at mutually-agreeable times on matters of mutual interest and concern, outside the terms of this Contract, the arrangements for such meetings to be initiated by either party.

ARTICLE VI (Cont.)

Section 10. Members of the unit will promptly and effectively administer all terms and conditions of collective bargaining contracts with other employee organizations signed by the Superintendent and, as required by law, approved by the School Board.

ARTICLE VII -- GRIEVANCE PROCEDURES

Section 1. Purpose

It is recognized that complaints and grievances may arise between the bargaining agent and the employer or between the employer and any one or more employees concerning the application or interpretation of the terms and conditions of employment, as defined in this Agreement. The employer and the bargaining agent desire that these grievances and complaints be settled in an orderly, prompt, and equitable manner so that the efficiency of M-DCPS may be maintained and the morale of employees not be impaired. Every effort will be made by the employer, employees, and the bargaining agent to settle the grievances at the lowest level of supervision. The initiation or presentation of a grievance will not adversely affect the employee's standing with the employer.

The Union has the right not to process grievances of non-dues-paying employees. It is agreed that the bargaining agent reserves the exclusive right to process grievances at any step of the grievance procedure, including arbitration, except that any member of the bargaining unit may process a grievance through representation of his/her own choosing only if the bargaining agent has refused to process the grievance solely because the unit member is not a dues-paying member of the Union. The Union accepts its duty of fair representation but retains its right to preclude the processing of non-meritorious grievances through the steps of this grievance procedure, inclusive of arbitration.

Section 2. Definitions

- A. Grievance--Formal allegation by an employee(s) and/or the bargaining agent that there has been a violation, misinterpretation, misapplication of any of the terms and conditions of employment set forth in this Agreement.
- B. Aggrieved Employee(s) -- Employee(s) filing the grievance.
- C. Supervising Administrator -- The individual having immediate administrative authority over the aggrieved employee(s).
- D. Immediate Superintendent -- That Assistant or Associate Superintendent having immediate administrative authority over the supervising administrator.

Section 3. Procedures

STEP 1 -- The aggrieved employee, with or without the Union Steward, shall discuss the grievance or dispute with the supervising administrator within five working days of the occurrence or knowledge giving rise to the grievance.

If after discussion with the supervising administrator, the grievance has not been resolved, the grievance shall be offered, in writing, within 10 working days, to the supervising administrator, who shall conduct a meeting with the aggrieved employee and his/her Union representative and respond, in writing, within 10 working days. The grievance shall be on the proper form for this Step.

ARTICLE VII (Cont.)

STEP II -- If the grievance or dispute has not been satisfactorily resolved at Step I, the Union Steward and/or the aggrieved employee and the Union representative may appeal the grievance to the immediate Director within 10 working days after the supervising administrator's response is due. The immediate Director shall conduct a meeting with the aggrieved employee and his/her Union representative and respond, in writing, within 10 working days. The grievance shall be on the proper form for this Step.

STEP III -- If the grievance has not been satisfactorily resolved at Step II, the employee may submit the grievance to the Associate Superintendent for School Operations or designee within 10 working days after the immediate Director's response is due. The Associate Superintendent for School Operations or designee shall conduct a meeting with the aggrieved employee and his/her Union representative and respond, in writing, within 10 working days. The grievance shall be on the proper form for this Step.

Failure to observe the time limits for submission of a grievance, at any step, will automatically result in the grievance being considered abandoned. Failure to respond to a grievance within the prescribed time limits will automatically move the grievance to the next step.

The parties acknowledge that, as a principle of interpretation, employees are obligated to work, as directed, while grievances are pending.

All responses required at Steps I, II, and III above shall be directed to the employee, with a copy furnished to the Union.

It is understood and agreed by the employer, members of the unit, and the bargaining agent, that the resolution of complaints which are grievable or litigable shall be pursued through the grievance procedure until such remedy is exhausted.

It is further understood and agreed that the aggrieved employee(s) shall be granted released time with pay to attend formal proceedings, as described herein, which are held during working hours. Additional employee witnesses, who may be needed to insure a full hearing on the merit of the issues, shall be given released time with pay, provided the agent of M-DCPS and AFSCME, Local 1184 mutually agree on the number of representatives. If the formal proceedings extend beyond the employee's workday, the time spent beyond the employee's workday at the formal proceedings shall not be considered time worked and shall not be with pay.

Section 4. Arbitration

If the decision of the Associate Superintendent for School Operations or designee has not satisfactorily resolved the grievance, AFSCME, Local 1184 may request arbitration, in writing, to the Assistant Superintendent, Labor Relations, no later than 15 working days after the rendering of the decision, or the expiration of the time limit for rendering of the decision by the Associate Superintendent for School Operations or designee. Upon receipt of request for arbitration and, in no event later than 15 working days, the Assistant Superintendent, Labor Relations shall set in motion the necessary machinery to expedite an early hearing by the arbitrator. The bargaining agent reserves the exclusive right to institute the Arbitration Procedures under this Agreement. At the arbitration hearing, the aggrieved employee shall be accompanied by the AFSCME, Local 1184 representative and such additional non-employee Union representatives as shall be approved by the arbitrator. It is understood and agreed to that, should it become necessary to establish a regular work schedule which includes Saturdays, negotiations may be reopened on this issue. It is understood that these negotiations will precede implementation of the decision.

The right to utilize the four-day, 10-hour work schedule is expressly reserved to management and adoption of such schedule for any unit member shall not be considered an avoidance of overtime.

Such schedule shall be for four consecutive days. Wherever a 10-hour day schedule is adopted, the workday shall consist of 10 consecutive hours, exclusive of the meal period.

This schedule change may be implemented by the Board after notification to the Union. Employees affected shall be given not less than two weeks' notice of the change in schedule.

Refusal to accept such positions may result in a recommendation for layoff, subject to provisions in Article X, Section 2.

Section 3. Project Employees

New employees hired for the duration of a specific federally or state-funded project or projects shall be subject to a three-month probationary provision and then considered as annual employees for the duration of their employment project. When a project continues into the next fiscal year, the continued employment of project employees is subject to the management decision to reappoint any or all such employees. Continued employment from one fiscal year to the next is not automatic. A management decision not to reappoint shall not be grievable or arbitrable. These employees will be entitled to all rights and benefits provided for full-time probationary/permanent employees in this Agreement, except that termination due to expiration of the employment project shall not be subject to appeal. Every effort will be made to provide permanent employment for these personnel. Newly-hired employees in the bargaining unit (except temporary, hourly, or substitute employees) shall be considered probationary for the first three calendar months; thereafter, they shall be considered annual employees, subject to annual reappointment. During such probationary period, employees may be terminated without recourse under this Contract.

ARTICLE IX (Cont.)

2. If, at any time during the probationary period, the newly-hired employee's performance is considered unacceptable, the probationary employee shall be terminated.

B. Promoted Employees

1. An employee who is promoted shall be considered probationary for the first three calendar months in the new position. During such probationary period, if such employee's performance is determined by the supervising administrator or principal to be unacceptable, the employee shall be returned to a position substantially equivalent to the one held prior to the promotion, as soon as such a position is available. Such employees may request an informal hearing by, or written explanation from, the Chief Officer, Human Resources (or designee). The employee's request for a hearing must be made no later than 10 working days after official notification, in writing, by the supervising administrator or principal that his/her performance is unacceptable. The hearing shall be conducted within 30 working days of such request. The decision of the chief personnel officer shall be final and shall not be subject to a grievable, litigable, or reviewable process.
2. A promoted probationary employee shall be treated as a permanent employee for purposes of determining applicable contractual rights and benefits.

Section 5. "Acting" Appointments

- A. In the event an employee is placed in a position of "acting" for a period of time that exceeds one week, such employee and the Union shall receive notification, in writing, of "acting" status by the supervising administrator, and such notice shall be provided at the beginning of the appointment. Employees shall be compensated at the in-hiring rate for the class to which they are acting, provided such rate is at least one pay step higher than they are currently receiving and such rate shall begin retroactive to the first day of appointment to the acting position. An employee may be placed in an "acting" position for a period of time which shall not exceed 90 calendar days, except where otherwise agreed to by the parties. Notice of termination of acting status shall be provided to the employee and the Union at the termination of the acting appointment. The employee shall revert to his/her previous rate of compensation upon termination of such "acting" status. Acting appointments made to open, budgeted unencumbered PACs will be limited to 30 working days. Such appointments shall occur only one time for any of these open PACs.
- B. However, a custodian who is temporarily assigned the job tasks/responsibilities of a Lead Custodian as stated in the job description, shall be compensated at the rate of a Lead Custodian regardless of certification status for a period of time not to exceed ninety (90) days. Should this assignment need to be extended beyond the ninety days, Lead Custodian certification is required. This temporary assignment and compensation shall be allotted to no more than one custodian at a time at a worksite.
- C. Where the acting appointment is to a position encumbered by an employee on Board-approved leave or other Board-approved absence (including absence due to acceptance of an acting appointment), and the leave of absence is expected to be more

ARTICLE IX (Cont.)

than 10 working days, but less than one year, the duration of the acting appointment shall be until the job incumbent returns from the leave of absence, or until the position becomes unencumbered and a qualified permanent replacement is competitively selected, or until the supervising administrator terminates the acting appointment, whichever occurs first.

Section 6. Temporary Employees

- A. An individual hired for a temporary position shall acknowledge, in writing, the understanding that the position is "temporary" and without any expectation of continued employment beyond that approved by the Office of Non-Instructional Staffing.
- B. Temporary appointment(s) shall be limited to open, encumbered non-supervisory or non-leadership position(s), for which there is a Personnel Action Code (PAC), occupied by an employee on Board-approved leave or other Board-approved absences and such leave or absence is expected to be one year or less. The duration of the temporary appointment shall be until the job incumbent returns from the leave or absence, or until the position becomes unencumbered and a qualified permanent replacement is hired, or until the administrative supervisor terminates the temporary assignment, whichever occurs first.
- C. Continued employment from one fiscal year to the next is not automatic. A management decision to terminate a temporary appointment or non-reappoint a temporary employee shall not be grievable or arbitrable.
- D. Temporary employees shall be paid at the entry level pay rate for the job class and shall not be eligible for annual step increments.
- E. Notice of termination of the temporary appointment shall be provided to the temporary employee no less than five working days in advance of the effective date of termination.

Section 7. Job Requirements

Subsequent to initial appointment, the employer has the right to place additional employment requirements on any job classification. For those employees already on the job, the costs of such additional requirements shall be borne by the employer. New employees shall assume costs of all eligibility requirements.

All permanent and probationary employees shall be required to wear identification badges which will include the employees' name and a current picture prepared and provided by the Board.

Section 8. Overtime

- A. It shall not be the general policy of the Board to have its employees work frequent or consistent overtime; however, when employees are directed to work overtime, in addition to their regular hours, aggregating more than a maximum of 40 hours per week, they shall be compensated as follows.

ARTICLE IX (Cont.)

- B. The rate of time and one-half of the normal rate shall be paid for all hours in a pay status per week over the regular weekly task assignment, aggregating more than a maximum of 40 hours per work week. The rate(s) of pay for employees who weekly perform two or more M-DCPS jobs shall be governed by the Fair Labor Standards Act (FLSA) and the U.S. Department of Labor's Rules, Regulations, and Interpretive Bulletins regarding the Act.
- C. An employee shall not have his/her regular work schedule changed to avoid the payment of overtime.
- D. Employees called from home to work shall be guaranteed at least four hours' pay, provided such work does not immediately precede or extend the employee's regularly-assigned work schedule. An employee required to work two hours or more beyond the normal workday shall be allowed one-half hour for meal time with pay. An employee required to work at least three hours before normal starting time shall be allowed one-half hour meal time with pay, provided he/she completes his/her normal shift. If call-back work immediately precedes the normal workday, the four-hour guarantee shall not apply.
- E. Overtime shall not be paid more than once for the same hours worked. Giving consideration to the organizational subdivisions of the Board, assignments, and shifts, the Superintendent shall attempt to distribute overtime among employees as equally as practicable. Overtime worked shall be reflected on the employee's pay stub.
- F. By mutual consent of the supervising administrator and the employee, compensatory time, in lieu of overtime pay, may be given and used in lieu of overtime pay. In such cases, one and one-half hours of compensatory time shall be provided the employee for each hour of overtime worked.
 - 1. Compensatory time off must be taken in the same fiscal year in which it is granted. Accrued compensatory time shall not be carried over into the next fiscal year. Payment for such authorized, accrued compensatory time will be made in the last pay period of the fiscal year.
 - 2. The maximum number of hours of compensatory time which an eligible M-DCPS employee may accrue is 30 hours (i.e., 20 hours of employment at time-and-one-half). Upon termination for any reason, upon assignment to a different M-DCPS position, or upon assignment to a position exempt from the FLSA coverage, an eligible employee shall be paid for authorized, accrued, compensatory time, based upon his/her rate of pay in the previous position.

Section 9. Call Back

Employees called from home to work shall be guaranteed at least four hours' pay at the time and one-half rate, provided such work does not immediately precede or extend the employee's regularly-assigned work schedule.

Section 11. Personal Life

The private and personal life of an employee, except for such incidents and occurrences which could lead to suspension and dismissal as provided by statute, shall not be within the appropriate concern of the Board.

Section 12. Training Programs

All employees may be required to participate in orientation, refresher, and/or leadership training courses provided by the Board.

Section 13. Employee Assistance Program

- A. AFSCME, Local 1184 and the Board recognize that a wide range of problems not directly associated with an employee's job function can have an effect on an employee's job performance and/or attendance.
- B. AFSCME, Local 1184 and the Board agree that assistance will be provided to all employees through the establishment of an Employee Assistance Program.
- C. The Employee Assistance Program is intended to help employees and their families who are suffering from such persistent problems as may tend to jeopardize an employee's health and continued employment. The program goal is to help individuals who develop such problems by providing for consultation, treatment, and rehabilitation to prevent their condition from progressing to a degree which will prevent them from working effectively.
- D. Appropriate measures will be taken to insure the confidentiality of records for any person admitted to the program, according to established personnel guidelines and federal regulations.
- E. The Guidelines for the Employee Assistance Program, by reference, are made a part of this Contract.
- F. Employee Rights:

Job security will not be jeopardized by referral to the Employee Assistance Program, whether the referral is considered a voluntary referral in which an employee elects to participate in the program, or a supervisory referral in which a supervisor uses adopted guidelines to refer an employee into the program.
 - 2. An employee has the right to refuse referral into the program and may discontinue participation at any time. Failure by an employee to accept referral or continue with treatment will be considered in the same manner as any factor that continues to affect job performance adversely.

ARTICLE IX (Cont.)

Section 14. Physical and Psychological Examinations and Tests

- A. The cost of all physical, psychological, or psychiatric tests or examinations taken by employees at the request or order of the Superintendent or his/her designee, except those examinations or tests which are prerequisite of initial employment, shall be borne by the Board.
- B. At all times, the choice from among state-licensed physicians, psychologists, or psychiatrists shall be made by the employee from a list provided by the employer. No employee shall be compelled to submit to any test or examination not required of all employees of that classification without reasonable cause for the need for such examination expressed, in writing, by the Superintendent or his/her designee.
- C. An employee shall have the right to seek an additional opinion or judgment from among state-licensed physicians, psychologists, or psychiatrists of the employee's choosing. The cost shall be borne by the employee. When this option is exercised, the additional opinion shall be attached to any other medical opinions under consideration with respect to disciplinary action against the employee.
- D. Employees will be examined or tested on the Board's time when directed to do so at the Board's expense in combination with the employee's insurance, if applicable.
- E. The Board agrees to provide a Blood-Borne Pathogens/Hepatitis B Vaccination Program for selected employees which is incorporated by reference in this Contract.
- F. Drug-Free Work Place General Policy Statement -- M-DCPS and AFSCME, Local 1184 recognize that substance abuse in our nation and our community exacts staggering costs in both human and economic terms. Substance abuse can be reasonably expected to produce impaired job performance, lost productivity, absenteeism, accidents, wasted materials, lowered morale, rising health care costs, and diminished interpersonal relationship skills. M-DCPS and AFSCME, Local 1184 share a commitment to solve this problem and to create and maintain a drug-free work place.

M-DCPS is responsible for the instruction and well-being of the students entrusted to its care. A consistent message needs to be communicated to M-DCPS students: the use of illegal drugs, the abuse of alcohol, and the misuse of prescription drugs is unacceptable.

1. Policy Objectives

- a. To promote a healthy, safe working, and learning environment;
- b. To seek the rehabilitation of employees with a self-admitted or detected substance abuse problem;
- c. To eliminate substance abuse problems in the work place;
- d. To provide a consistent model of substance-free behavior for students;
- e. To provide a clear standard of conduct for M-DCPS employees; and,

ARTICLE IX (Cont.)

- f. To hire drug-free employees.
- 2. Policy Statement - Illegal Drugs
Drug abuse by employees interferes with the educational and work process and compromises the safety and well-being of staff and students. Employees are expected to conduct themselves in a manner consistent with the following provisions:
 - a. Employees on duty or on School Board property will not manufacture, distribute, dispense, possess, or use illegal drugs, nor will they be under the influence of such drugs.
 - b. Employees on or off duty will not influence students to use or abuse illegal drugs.
 - c. An employee convicted of any criminal drug statute violation occurring in the work place shall notify M-DCPS no later than five days after such a conviction.
- 3. Policy Statement - Alcohol and Prescription Drugs

Alcohol, prescription, and over-the-counter drugs are legal and readily available. Generally safe and acceptable, these drugs, when abused over time or used in combination with one another, can result in chemical dependency or poly-drug addiction. Employees are expected to conduct themselves in a manner consistent with the following provisions:
 - a. Employees on duty or on School Board property will be free of intoxication from alcohol. Employees in safety-sensitive positions, as defined herein, will be free of measurable alcohol concentrations. Further, employees will not manufacture or use alcoholic beverages while on School Board property or on duty.
 - b. Employees on duty will not use or take prescription drugs above the level recommended by the prescribing physician and will not use prescribed drugs for purposes other than what the prescribed drugs were intended. In addition, the employee will not distribute or dispense such drugs, except as provided in School Board Policy 5330, School Health Services Program.
- 4. Policy Statement - Employee Physical Examinations/Screening/Health Services

In order to establish and support a clear standard of conduct for employees, M-DCPS adheres to the following provisions:

ARTICLE IX (Cont.)

- a. Drug screening will be included in all physical examinations; existing employees and contracted persons in covered positions will be screened under the Omnibus Transportation Employee Testing Act (OTETA) of 1991, and as required under existing labor contracts, statutes, State Board Rules, and Miami-Dade County Public Schools Board Policies.
- b. Circumstances under which testing may be considered include, but are not limited to, the following:
 - (1) observed use of illegal drugs and/or abuse of alcohol during work hours;
 - (2) apparent physical state of impairment of motor functions;
 - (3) marked changes in personal behavior on the job not attributable to other factors;
 - (4) employee involvement in serious or repetitive accidents on the job causing personal injury to self or others and/or significant property damage;
 - (5) employee involvement in an accident requiring medical treatment or the vehicle to be towed away from the scene of the accident; and,
 - (6) any vehicular fatality.
- c. Drug and/or alcohol screening shall be conducted by Board-approved, independent, certified laboratories utilizing recognized techniques and procedures as described in the M-DCPS Drug-Free Work Place Technical Guide, which is incorporated by reference into this Contract, and made a part thereof. The protocol for drug screening shall include a split sample and chemical immunoassay screening procedure. In the event initial test results are screened positive, such results will be confirmed and verified by the Gas Chromatography Mass Spectrometry (GC/MS) Test.
- d. Medical records and information relating directly thereto will be maintained in strict confidentiality. Any laboratory contract shall provide that the contractor's records are to be kept confidential under provisions of Florida laws. M-DCPS shall establish a system of maintaining records to include both the District's and the contractor's record of applicant and employee urinalysis and blood alcohol results.

The contract and the record maintenance system must have specific provisions that require that employee records are maintained and used with the highest regard for employee privacy consistent with Florida's Public Records Act and the purpose of achieving and maintaining a drug-free work place.

ARTICLE IX (Cont.)

- e. M-DCPS recognizes that chemical dependency is an illness that can be successfully treated. It is the policy of M-DCPS, where possible, to seek rehabilitation of employees with a self-admitted or detected drug problem. Disciplinary action may be instituted against employees who the Board believes will not be assisted by rehabilitation or who have negatively impacted students and/or staff. Employees who have previously been referred for assistance or employees unwilling or unable to rehabilitate may be subject to appropriate action, pursuant to School Board policy, applicable Florida Statutes, State Board of Education Rules, Omnibus Transportation Employee Testing Act (OTETA) of 1991, and applicable provisions of collective bargaining agreements.

Section 15. Tobacco-Free Work Place

The parties seek to foster the health and safety of all M-DCPS employees, students, and visitors.

Smoking poses a significant risk to the health of the smoker. It can damage sensitive technical equipment and can be a safety hazard. In sufficient concentrations, side-stream smoke can be hazardous to non-smokers in the work environment. It may be harmful to individuals with heart and respiratory diseases or allergies related to tobacco smoke. Use of other tobacco products also poses a significant risk to the health of the user.

Smoking is a complex behavioral action which has some properties of both a psychological and physiological addiction. Many individuals need assistance to eliminate smoking from their lives.

Use of tobacco products is prohibited in areas where students are located or where there is sensitive or hazardous material.

Use of tobacco products will be prohibited on School Board owned/leased properties and vehicles.

All current and potential employees will be informed of the M-DCPS tobacco-free work place policy, as described in the M-DCPS Tobacco-Free Work Place Technical Guide, which is incorporated by reference into the contract and made a part thereof.

Section 16. Safe Driver Plan

The parties seek to foster the safety of all students transported by the Miami-Dade County Public Schools Transportation Department. Accordingly, the Safe Driver Plan, as outlined in the School Bus Driver Handbook and School Board Policy 8600 is hereby incorporated, by reference, into the contract and made a part thereof.

A safe driver plan committee shall be established to review, update, and modify the assessments of points and penalties associated with violations reflected on driver's records. The committee shall make recommendations to the Superintendent of Schools and the President of the Union.

ARTICLE IX (Cont.)

Section 17. Custodial Assessment and Professionalization System (CAPS)

- A. The parties recognize that the annual assessment of employee performance is an ongoing professional activity for the purpose of identifying employee strengths and weaknesses. As such, this Section establishes the Custodial Assessment and Professionalization System (CAPS) applicable to the M-DCPS custodial employees represented by AFSCME.
- B. CAPS will serve as an aid to improving the performance and developing the potential of custodial employees represented by AFSCME.
- C. The CAPS annual assessment period will begin August of each year, or upon employment as a Custodian with M-DCPS, and end in May of the following year. Documents and procedures pertaining to CAPS are hereby incorporated and made a part of this contract.
- D. The Union will be provided notification of any non-reappointment, along with a copy of all CAPS and supporting documentation, when the employee is notified of the non-reappointment.
- E. CAPS assessment tools will be reviewed annually by both parties.

ARTICLE X -- TRANSFER, LAYOFF, AND RECALL

Section 1. Transfer

- A. Transfer, defined, is a change in assigned position involving a change in location (different location code), or a change in job (different job code and job title), or both. Transfer to a position having a higher grade or higher pay rate is considered a promotion and shall be compensated as such.
- B. A permanent employee may apply for a transfer by completing and submitting the form designated for that purpose by the Office of Non-Instructional Staffing. The employee must indicate the job(s) desired by job code(s) (at least one and a maximum of five) and specify the location(s) desired by location code(s) (at least one and a maximum of five). If the request is based on hardship (as determined by management), documentation of the hardship must be attached. The employee and his/her supervisor must sign and date the application; the supervisor's signature indicates awareness of the application; it does not indicate approval or disapproval. The employee will provide a copy to the supervisor.
- C. A properly completed transfer application submitted by an employee qualified for the job(s) desired will be maintained in active status by the Office of Non-Instructional Staffing for one year from the date of receipt or until the employee changes job code or location, whichever occurs first.
- D. The Office of Non-Instructional Staffing will review the transfer application to insure completeness, qualification for the job(s) desired, and, if applicable, the existence of the hardship. The Office of Non-Instructional Staffing will inform the employee if anything additional is needed to complete the application, to attain qualification, or to confirm hardship.
- E. When a vacant or projected vacant position is to be filled, the Office of Non-Instructional Staffing will refer all qualified transfer applications for such a position and location to the appropriate work-site supervisor for consideration. Applicants having a confirmed hardship or transfer application on file within the same job code and job title will receive priority consideration based on seniority. The current pay status of the employee will not be a determining factor in accepting or rejecting an applicant. Job vacancies for which unit members of this bargaining unit are eligible to apply will be posted at each work location for a period of one week. Electronic mail may be utilized for this purpose provided that the vacancy is also advertised in the Weekly Reader.
- F. A qualified and eligible unit member in a part-time position, for 90 days or more, who applies for a vacancy at his/her work location that would result in full-time employment, shall be given consideration for appointment. In the event the work location supervising administrator determines that the vacancy will be filled by a current part-time employee, with concurrent notification to the Union, he/she is authorized to waive the contractual requirement for advertising the vacancy Districtwide.

ARTICLE X (Cont.)

- G. A transfer will normally be effective on the first day of the second pay period following the hiring decision, and any resulting pay adjustment will normally be effective on the same day; however, if the gaining and losing supervisors agree, another transfer effective date may be set. In that case, any downward pay adjustment will be effective on the normal transfer date or actual transfer date, whichever is later. Any upward adjustment will be effective on the normal transfer date or the actual transfer date, whichever is sooner.

Section 2. Layoff

- A. Layoff, defined, is the separation of an employee for lack of work or funds, without fault or delinquency on the employee's part.
- B. The employer shall determine when a layoff is necessary, which positions will be eliminated, and the number of employees by job code who must be removed.
- C. The employer will remove the necessary number of employees from the affected job code, first in reverse order of system-wide seniority within the job code; and, second, when employees have the same system-wide seniority, in reverse order of seniority at their current work location. The employee assigned to a position being eliminated will be transferred to the continuing position being vacated by removal of the least senior employee having the same job code.
- D. The employee removed from his/her job code by the procedure described in paragraph C. above shall have the right to bump an employee with less system-wide seniority assigned to a lateral or lower grade job within the same job family (as defined in Appendix IV) for which he/she is qualified by experience or training.
- E. An employee bumped from his/her position may exercise the procedure described in paragraph D. above to bump an employee with less system-wide seniority assigned to lateral or lower grade jobs within the same job family.
- F. An employee who does not have sufficient seniority to retain a job within his/her job family shall, qualifications and experience permitting, be placed in a vacancy in another job family, provided he/she has previously satisfactorily performed such job for M-DCPS. If there is no such vacancy, the employee shall be placed, at the employer's option, in a vacancy in another job family and trained so as to be able to satisfactorily perform the duties.
- G. An employee who lacks sufficient job family seniority to retain a job within the job family and who cannot be placed in a job under paragraph F. above will be laid off.
- H. The employer shall give an employee who is to be laid off as much advance notice, in writing, as is reasonably possible, but no less than 21 workdays' notice. The Union shall be provided with a copy of such notices at the time such notices are provided to employees of pending layoff.

ARTICLE X (Cont.)

Section 3. Recall

- A. Recall, defined, is the calling back of an employee who was laid off or the restoration to a formerly held grade of an employee who bumped into a lower grade.
- B. An individual who bumped into a lower grade job or has been laid off under the provisions of Section 2. above shall be placed on a recall list by the job code held before the bumping or layoff process started and in the order of the effective date of the bumping or layoff. Such an individual will remain on the recall list for 12 months from that effective date, unless removed earlier under the provisions of paragraph C. below. An individual on the recall list is responsible for keeping the Office of Non-Instructional Staffing informed of his/her current telephone number and address.
- C. Job vacancies shall first be filled from the appropriate recall list. The Office of Non-Instructional Staffing will attempt to notify the individual to be recalled, first by telephone and then by certified mail (return receipt requested). In the event the individual cannot be contacted, despite reasonable effort, the individual next on the appropriate recall list will be contacted, and so on. Failure to contact an individual does not result in loss of position on the recall list; but failure to accept a position within 72 hours of receipt of such offer shall result in the individual being moved to the bottom of the appropriate recall list. If the individual twice fails to accept positions offered, or fails to report to work within 10 working days of accepting the job, or is found to be no longer qualified for the job, or has moved, leaving no forwarding address, he/she will be removed from the recall list.
- D. Any sick leave forfeited at the time of layoff shall be restored at the time of recall.
- E. Recall to a formerly held grade of an employee who bumped into a lower grade shall not be considered a promotion.
- F. Where an individual cannot accept recall, due to reasonable cause beyond his/her control, the employer and the Union, by mutual consent, may permit the individual to remain on the recall list for a time to be determined by the parties, but not to extend beyond the limits set in paragraph B. above.

ARTICLE XI -- DISCIPLINARY ACTION

Section 1. Due Process

- A. Unit members are accountable for their individual levels of productivity, implementing the duties of their positions, and rendering efficient, effective delivery of services and support. Whenever an employee renders deficient performance, violates any rule, regulation, or policy, that employee shall be notified by his/her supervisor, as soon as possible, with the employee being informed of the deficiency or rule, regulation, or policy violated. An informal discussion with the employee shall occur prior to the issuance of any written disciplinary action. Progressive discipline steps should be followed, however in administering discipline, the degree of discipline shall be reasonably related to the seriousness of the offense and the employees record. Therefore, disciplinary steps may include:

1. Verbal warning;
2. Written warning (acknowledged);
3. Letter of reprimand;
4. Suspension/demotion; and
5. Dismissal.

A Conference-for-the Record shall be held when there is a violation of federal statutes, State Statutes, defiance of the administrator's authority, or a substantiated investigation to determine if formal disciplinary action should be taken (i.e., letter of reprimand, suspension, demotion or dismissal). A Conference-for-the-Record in and of itself shall not be considered disciplinary.

- B. The parties agree that discharge is the extreme disciplinary penalty, since the employee's job, seniority, other contractual benefits, and reputation are at stake. In recognition of this principle, it is agreed that disciplinary action(s) taken against AFSCME, Local 1184 bargaining unit members shall be consistent with the concept and practice of progressive or corrective discipline and that in all instances the degree of discipline shall be reasonably related to the seriousness of the offense and the employee's record.
- C. The employee shall have the right to Union representation in Conferences-for-the-Record held pursuant to this Article. Such a conference shall include any meeting where disciplinary action will be initiated.
- D. The employee shall be given two days' notice and a statement for the reason for any Conference-for-the Record, as defined above, except in cases deemed to be an emergency. A maximum of two Union representatives may be present at a Conference-for-the-Record.
- E. The Board agrees to promptly furnish the Union with a copy of any disciplinary action notification (i.e., notice of suspension, dismissal, or other actions appealable under this Section) against an employee in this bargaining unit.

ARTICLE XI (Cont.)

Section 2. Dismissal, Suspension, Reduction-in-Grade

Permanent employees dismissed, suspended, or reduced in grade shall be entitled to appeal such action to an impartial Hearing Officer or through the grievance/arbitration process as set forth in Article VII of the Contract. The employee shall be notified of such action and of his/her right to appeal by certified mail. The employee shall have 20 calendar days in which to notify the School Board Clerk of the employee's intent to appeal such action and to select the method of appeal. If the employee when appealing Board action, does not select the grievance/arbitration process as set forth in Article VII of the Contract the Board shall appoint an impartial Hearing Officer, who shall set the date and place mutually agreeable to the employee and the Board for the hearing of the appeal. The Board shall set a time limit, at which time the Hearing Officer shall present the findings. The findings of the Hearing Officer shall not be binding on the Board, and the Board shall retain final authority on all dismissals, suspensions, and reductions-in-grade. The employee shall not be employed during the time of such dismissal or suspension, even if appealed. If reinstated by Board action, the employee shall receive payment for the days not worked and shall not lose any longevity or be charged with a break in service due to said dismissal, suspension, or reduction-in-grade. Non-reappointments are not subject to the grievance/arbitration procedures.

Section 3. Cause for Suspension

In those cases where any employee has not complied with Board policies and/or department regulations, but the infraction is not deemed serious enough to recommend dismissal, the department head may recommend suspension up to 30 calendar days without pay. All suspensions must be approved by the Superintendent.

Section 4. Types of Separation

Dissolution of the employment relationship between a permanent unit member and the Board may occur by any of four distinct types of separation.

- A. Voluntary -- The employee initiates the separation by resigning, retiring, abandoning the position, or other unilateral action by the employee.
- B. Excessive Absenteeism/Abandonment of Position -- An unauthorized absence for three consecutive workdays shall be evidence of abandonment of position. Unauthorized absences totaling 10 or more workdays during the previous 12-month period shall be evidence of excessive absenteeism. Either of the foregoing shall constitute grounds for termination. An employee recommended for termination under these provisions shall have the right to request of the chief personnel officer for Human Resources a review of the facts concerning the unauthorized leave. Such right shall exist for a period of 10 working days after the first day of notification of the unauthorized absence.
- C. Disciplinary -- The employee is separated by the employer for disciplinary cause arising from the employee's performance or non-performance of job responsibilities. Such action occurs at any necessary point in time

ARTICLE XI (Cont.)

- D. Non-reappointment -- The employee is separated by management's decision not to offer another annual contract. However, such non-reappointment shall not be in lieu of discipline or lay-off. Employees whose performance has been deemed marginal by the supervising administrator, who have been counseled during the school year concerning performance, and have failed to perform acceptably shall not be reappointed.

Such employees and the Union shall be put on written notice of possible non-reappointment. Counseling and written notice of non-reappointment shall be provided in a timely manner. This action shall not be arbitrary or capricious, but based upon reason for the best interest of the employer.

AFSCME, Local 1184 bargaining unit members, except custodians, employed by the School District in excess of five years shall not be subject to non-reappointment. Such employees may only be discharged for just cause. Custodians, subject to the CAPS evaluation system as set forth in Article IX, Section 17, and who have been employed by the District in excess of three years, shall not be subject to non-reappointment.

- E. Layoff -- This is the separation of an employee(s) by the employer for lack of work or lack of funds, without fault or delinquency on the employee's part. A lay-off may occur at any time of the work year with 21 days' notice. Nothing in this Contract shall bar the right of management to determine whether or not to reappoint annual employees simultaneous with the lay-off of other employees.

The factors most important in determining what type of separation occurred for a given employee are: which party initiated the action; what time of the work year the action occurred; and the employer's expressed intent.

Section 5. No-Strike Provision

Nothing contained in this Article shall prevent the School Board from disciplining the officers and official representatives of AFSCME, Local 1184, greater than other employees who participate in a strike, if evidence can be provided. In addition, nothing shall preclude the School Board from disciplining employees for engaging in a strike prior to an administrative or court determination. Employees disciplined for allegedly engaging in a strike shall have a hearing before an Administrative Law Judge, pursuant to Article XI, Section 2.

Section 6. Personnel Files

- A. Pursuant to Florida Statutes, Chapter 1012.31 Personnel Files -- Public school system employee personnel files shall be maintained according to the following provisions:
1. Except for materials pertaining to work performance or such other matters that may be cause for discipline, suspension, or dismissal, under laws of this state, no derogatory materials relating to an employee's conduct, service, character, or personality shall be placed in the personnel file of such employee.
 2. Materials relating to work performance, discipline, suspension, or dismissal must be reduced to writing and signed by a person competent to know the facts or make the judgment.

ARTICLE XI (Cont.)

- a. No such materials may be placed in a personnel file, unless they have been reduced to writing within 45 calendar days, exclusive of the summer vacation period, of the school system's administration becoming aware of the facts reflected in the materials.
 - b. The employee shall have the right to answer any material filed hereafter in his/her personnel file and the answer, if submitted, shall be attached to the file copy. No anonymous letter or material shall be placed in an employee's personnel file. The validity of items of a derogatory nature placed in an employee's personnel file shall be subject to the grievance procedure.
 - c. There shall be no statements placed in an employee's personnel file unless the employee has been given a copy.
3. Upon request, the employee, or any person designated in writing by the employee, shall be permitted to examine the personnel file. The employee shall be permitted, conveniently, to reproduce any materials in the file, at a cost no greater than five cents per page. Such request should be made to the custodian of a personnel file, who shall permit examination of the records at reasonable times, under reasonable conditions, and under supervision of the custodian of the record.
 4. The custodian of the record shall maintain a record in the file of those persons reviewing the file each time it is reviewed.

Section 7. Personnel Investigations

- A. The Board shall take steps to ascertain the identity of the complainant, prior to authorization of an investigation. No investigation of an allegation against an employee shall be made on the basis of an anonymous complaint.
- B. In the event of allegations and/or complaints being made against any employee, an investigation which may result in information being placed in the employee's personnel file shall not be concluded prior to the time that the employee receives identification of the complainant and the nature of the complaint.

The Personnel Investigative Model (PIM) approved and adopted by the School Board on November 17, 2004, and the PIM User's Guide agreed to by the parties, shall govern the investigative process and are hereby incorporated as part of the Agreement.

- C. In all Board investigations which may lead to suspension or dismissal of an employee, only the Superintendent or his/her designee may authorize such an investigation. When a formal investigation has been authorized, all personnel involved will be advised of their legal rights and the procedures available to them for representation in accordance with PIM. Information that is not substantiated will not be used for disciplinary action against the employee.

ARTICLE XI (Cont.)

- D. In all Board investigations resulting in discipline, the employee shall be provided with a copy of the report. With the permission of the employee, the Union shall also receive a copy in accordance with PIM. When investigatory reports are to be provided, said reports shall be transmitted within a timeframe consistent and harmonious with basic due process.
- E. In all cases in which the investigation is concluded, with the finding that there is no probable cause to proceed further and with no disciplinary action taken or charges filed, a statement to that effect signed by the responsible investigating official shall be attached to the complaint and the complaint and all such materials shall be open, thereafter, to inspection. Where allegations have not been proven against an employee, no reprisal or punitive action shall be taken against an employee.

ARTICLE XII -- COMPLAINTS

Section 1. Harassment

- A. Employees shall be free from unnecessary, spiteful, or negative criticism or complaints by administrators and/or other persons. Under no conditions shall management representatives express such complaints or criticisms concerning an employee in the presence of other employees, students, or parents, nor shall anonymous complaints be processed.
- B. Employees should not be subjected to harassment, abusive language, upbraiding, insults, or interference by a parent or other persons in the performance of the employee's duties.

Section 2. Processing Complaints

When a complaint about an employee is received and further administrative action is warranted, the following procedures shall be followed:

- A. The immediate supervisor should acknowledge and accept the complaint and inform the complainant that the matter will be looked into.
- B. The immediate supervisor should confer with the employee, inform the employee of the complaint, receive the employee's explanation and, if necessary, request the complainant to come in for a conference with the employee at a time mutually agreed upon by all parties. Immediate supervisors who are unable to establish proof as to the validity of the complaint shall be prohibited from noting any such complaint in the employee's personnel file.
- C. Should the complainant contact a region or district office, and further administrative action is warranted, the employee shall be notified promptly.
- D. The use of tape recorders or other mechanical devices is expressly forbidden.
- E. Whenever possible, 24 hours' notice of any meeting with the work location supervising administrator to discuss a complaint from a non-supervisory person shall be given to the employees.
- F. Disciplinary action initiated or executed against an employee, as a result of conferences referred to in this Article shall be in accordance with Article XI, Sections 1 through 6 of this Contract.

ARTICLE XIII -- LEAVES

Section 1. Voting Leaves

The Board agrees to allow permanent and probationary employees who are registered voters a reasonable amount of time off (not to exceed one hour) with pay to vote in each local and general election. The location of the employee's precinct and the employee's work schedule shall be considered in scheduling such time off.

The employee may be required to show proof of registration to the supervising administrator prior to being granted voting leave.

Section 2. Military Leave

Permanent and probationary employees of The School Board of Miami-Dade County, Florida may be granted a military leave of absence provided that:

Section 3. Parental Leave

- A. A permanent or probationary employee who is an expectant mother or who adopts a child shall be granted parental leave at the employee's request.

If this leave falls within the school year, an approximate time should be given as to when the employee expects to return. The employee's health care provider must approve her return to duty, in writing. The mother of an adopted child may return at her own request. The maximum period for which parental leave may be granted is one year (12 months).

The employee may request an additional year of leave which will be personal leave; therefore, the total time granted for the same pregnancy or adoption cannot exceed two years.

- A. ARTICLE XXIV -- MISCELLANEOUS

- A. Should any part of this Agreement or any portion therein contained be rendered or declared illegal, legally invalid, or unenforceable by a court of competent jurisdiction, or by the decision of any authorized governmental agency, such invalidation of such part or portion of this Agreement shall not invalidate the remaining portions thereof. In the event of such occurrence, the parties agree to meet immediately, and, if possible, to negotiate substitute provisions for such parts or portions rendered or declared illegal or invalid. The remaining parts and provisions of this Agreement shall remain in full force and effect.
- B. Any delays in the signing of this Agreement after ratification by the Board and the Union membership shall not defer the implementation date as it affects the distribution of the benefits and provisions provided by this Agreement.

Social Security	76
Retirement Plan	77

Section 1. Liability Insurance

Subject to the availability of liability policies to the Board, all employees of M-DCPS are covered by professional liability insurance, and the carrier undertakes the defense of the employee sued as a result of acts occurring in the scope of his/her employment or function, unless such employee acted in bad faith, or with malicious purpose, or in a manner exhibiting wanton and willful disregard of human rights, safety, or property, according to the terms of the policy.

If the Board Attorney is to represent the employee in a case in which the insurance coverage does not apply, the Superintendent may make that recommendation to the Board. When time does not permit prior recommendation to the Board, the Superintendent shall authorize the Board Attorney to represent the employee and report his/her action at the next regular meeting of the Board.

Section 2. Insurance and Other Benefits

A. Health Insurance and Flexible Benefits Coverage

1. Health Insurance benefits will be provided to all eligible full-time employees. The School Board will negotiate annually with AFSCME to determine plan design and employer contribution levels.
2. Coverage for healthcare, life insurance, and short-term disability benefits for full-time employees begins the ninety-first day of employment. Employee-paid benefits begins the first of the month following the first payroll deduction. Coverage for all such employees and covered dependents will expire on the last day of the last month of employment. Ten month employees who terminate or retire on the last day of school in June (and their covered dependents) will be carried forward until August 31 of the same year. Coverage for dependents must be continued until the end of the calendar year, unless a family status change occurs, pursuant to Internal Revenue Service rules.

APPENDIX II (Cont.)

The specific terms of the annual health insurance plan are outlined in the Memorandum of Understanding (MOU) executed by the parties and made a part of this collective bargaining agreement and is subject to the grievance/arbitration procedures as defined in Article VII of this collective bargaining agreement. The annual health insurance plan is subject to change in future calendar years, after the parties engage in negotiations pursuant to Chapter 447, Florida Statutes and Appendix II of this collective bargaining agreement.

The School Board will make available on a voluntary basis a selection of flexible benefits for the applicable calendar year with the exception of the Personal Accident Insurance (Accidental Death and Dismemberment).

3. Eligible retirees may select any health plan offered to active full-time employees at rates no greater than those charged to active employees. Premiums for retirees and their dependents are paid by the retiree. Claims experience for retirees will be commingled with active employee and dependent claims for purposes of rate-setting.

B. Health Insurance for Part-Time Food Service Employees

Effective January 1, 2003, part-time food service employees who have completed five or more years of M-DCPS service and are currently employed, and scheduled to work 15 or more hours per week, will become eligible for Board-paid health insurance (employee only) in the lowest cost plan offered or may decline (opt out) healthcare coverage and choose one of the Employer-Paid Flex Plan Options. In addition, these part time employees will have the ability to purchase health insurance for their eligible dependents entirely at their own expense.

Eligibility will be determined monthly after the last payroll in each month and will be based upon attaining 3,300 or more hours and five or more years of service in an applicable part-time food service job code. Criteria for the 5 years will consist of the eligible employees having received 110 regular paychecks (22 paychecks per year x 5 years). Coverage for eligible unit members shall begin on the first of the month following determination of eligibility. After initial eligibility, the employees must be regularly scheduled to work 15 hours or more per week to continue annual coverage. Coverage for part-time employees will expire on the last day of the month of employment. If the employee does not work for 30 consecutive calendar days, the Board-paid coverage will be terminated at the end of the same month the employee was last paid. Ten-month employees who terminate or retire on the last day of the regular school year will be carried forward until the end of the month prior to the first day of the next regular school year.

Eligible employees on a Board approved leave of absence will receive Board-paid healthcare coverage following the same guidelines as for active AFSCME employees with respect to medical coverage only.

APPENDIX II (Cont.)

COBRA benefits, rights and responsibilities will be afforded to all eligible employees pursuant to federal law.

C. Benefits Advisory Committee – A Benefits Advisory Committee of AFSCME Bargaining

Unit shall be formed for the purpose of reviewing plan performance and advising the District on desired changes in insurance benefits. This committee will make its recommendations to the Superintendent of Schools and the President of the American Federation of State County and Municipal Employees (AFSCME).

1. The advisory committee shall consist of three AFSCME appointed members by the Union, to include the president and three members from M-DCPS.
2. The advisory committee shall meet quarterly or on an as needed basis.
3. The advisory committee shall be provided access to all relevant and available information as allowed by HIPAA. This information may include financial, actuarial, and consultant reports, request for proposals (RFPs) conducted, aggregated data concerning wellness initiatives, and pertinent utilization data. Cost data associated with claims or utilization activity, admission rates, and emergency room visitation shall also be included. Available information related to pharmacy discounts paid to the District on a monthly basis shall be made available to the committee.
4. The advisory committee may request outside auditors, actuaries and consultants to make presentations and provide data to the committee at no additional cost to the District.
5. The advisory committee will work collaboratively to identify at least 10 health and wellness workshops to be provided during the 2010 calendar year (asthma, fitness, weight reduction, oral health, healthy eating, heart health, cancer prevention, etc.). The employees who participate in these workshops shall do so during their non-duty hours or with supervisory approval.

Section 3. Life Insurance

- A. Eligible full-time employees will receive term life insurance equal to one time the employee's annual base salary or \$10,000, whichever is greater, effective January 1 each year, for the term of this Contract. Such coverage is paid by the School Board.
- B. Optional coverage is available to be purchased through payroll deduction for up to a maximum of five times annual base salary. Proof of insurability to the satisfaction of the insurance company may be required for the optional coverage.
- C. Dependent term life coverage is also made available through payroll deduction, pursuant to terms agreed to by the School Board and the contracted company.
- D. The Board agrees to provide a \$10,000 term life insurance plan for part-time

APPENDIX II (Cont.)

permanent employees (i.e., those part-time permanent employees employed) by the School District for at least one year, as of October 1 of each year), effective January 1 of each year.

- E. The Board agrees to request alternative proposals for permanent part-time employees from interested insurance companies, health maintenance organizations, and other provider groups when it next places the Board's health insurance programs out for requests for proposals. Responses received will be analyzed by the Board's consultants and the resulting analyses will be used by the Board for further discussions with the Union.

Section 4. Hospital Indemnity Plan

Part-time permanent employees (i.e., those part-time permanent employees employed by the School District for at least one year as of October first of each year) are covered by a hospital indemnity confinement insurance policy providing payments of \$350 per day for a maximum of 31 days per confinement. All permanent part-time food service workers qualifying for coverage under Section 2(B) above will not be eligible for coverage under this section. All in-patient hospitalization of a non-emergency nature (as determined by the insurance carrier) must be pre-certified through the carrier's pre-admission certification process. Failure to pre-certify or non-approval as a medically necessary hospitalization will result in no benefits payable to the employee.

Section 5. Workers' Compensation Benefits

Compensation for leave time granted for illness or injury-in-line-of-duty will be calculated, as defined in Appendix II, Section 10.

Section 6. Temporary Duty

Any employee may be assigned to be temporarily absent from his/her regular duties and place of employment for the purpose of performing other M-DCPS services, including participation in school surveys, training meetings, study courses, workshops, etc. Such temporary assignment will be initiated by the supervising administrator. Employees will receive their regular pay and may be allowed expenses, as provided by law and rules of the School Board. Such temporary duty shall be considered equal to the regular duties of the individual, and employees performing such assigned temporary duties shall not be considered to be on leave.

When an employee is on assignment away from his/her school or regular place of employment, and that assignment requires (a) the employment of a substitute, (b) payment of travel expenses, or (c) out-of-county attendance, the employee must complete a request for Temporary Duty Form obtained from Human Resources. The request must be signed and approved by the supervising administrator and forwarded to Human Resources for final approval.

Section 7. Social Security

Employees or their families with adequate quarters of coverage with the Social Security

APPENDIX II (Cont.)

Administration are eligible to receive benefits in accordance with federal laws because of retirement, disability, or death.

Social Security is financed through payroll taxes. The School Board matches payroll taxes deducted from employees' salaries for Social Security to assist in financing this program.

Section 8. Retirement Plan

Membership in a state-administered retirement system for unit members of M-DCPS, as pertinent, is governed as follows:

- A. The Florida Retirement System -- Chapter 121, Florida Statutes, and Rules and Regulations, Florida Retirement System, as amended.
- B. State and County Officers and Employees Retirement System -- Chapter 122, Florida Statutes, as amended.

Section 9. Early Retirement Plan

The School Board of Miami-Dade County, Florida has implemented a Supplemental Early Retirement Plan (SERP) with an effective date of July 1, 1984, and the Board now desires to amend that plan as follows:

- A. No employee will vest for participation in the SERP after July 1, 2000. Based on the provisions of the plan, it will remain in existence, and its provisions shall remain in full force for currently retired participants.
- B. The Board agrees to pay the full cost of annuities for all participants who have retired under the SERP as of July 1, 2003, to the full extent permitted by Section 231.495, Florida Statutes, to wit, the total difference in retirement income between the retirement benefit based on average monthly compensation and creditable service as of the member's early retirement date and the early retirement benefit.
- C. After all funds have been disbursed as set forth in paragraph 3 above, the Plan and the Trust shall terminate pursuant to the provisions of the SERP, Article VIII.

Section 10. Workers Compensation

Leave for Illness or Injury-In-Line-of-Duty

- A. An employee shall be eligible for leave for illness or injury-in-line-of-duty when he/she has to be absent from his/her duties because of a personal injury received in the discharge of duty or because of illness from any contagious or infectious disease contracted in school work.
- B. The following requirements shall apply for this type of leave, as defined above:
 - 1. Duration of Leave
 - a. Leave may be authorized for a total of not more than 10 school days

APPENDIX II (Cont.)

during any school year for illness contracted or injury incurred in-line-of-duty.

- b. Additional leave not to exceed 30 days may be granted automatically upon receipt of verification by a physician approved by the Chief Officer, Human Resources or designated representative stating that the employee is unable to return to duty. The term of additional leave granted under this Section shall not extend beyond the date the physician states that the employee may return to duty.
 - c. A medical evaluation conducted by a physician approved by the Chief Officer, Human Resources or designated representative will be the determining factor when the employee is able to return to duty. If the employee is not able to assume his/her regular duties, but is able to return to a less strenuous assignment, when such assignment is available, the employee must accept the lesser assignment at this regular salary, not to exceed one year from the date of the injury or illness.
 - d. Emergency sick leave may be granted in addition to leave listed in a. and b. above for illness or injury occurring under circumstances which, in the opinion of the School Board, warrants granting of such leave. Such additional emergency sick leave, if granted by the School Board, shall be for such term and under such conditions as the School Board deems proper. The term for such leave shall not exceed one calendar year from the date of the injury or illness.
 - e. The Superintendent or his/her designee may, when deemed in the best interest of the school system, involuntarily transfer unit members with contagious or infectious diseases (as agreed to by the parties). Before said employee is involuntarily transferred, a conference shall be held with the Assistant Superintendent, Facilities Management, or his/her designee, except where such transfers are a result of a legal order. Employees who are involuntarily transferred, pursuant to this Section, will have the right to be accompanied to the conference by a representative of the Union and shall be informed of this right.
2. Compensation for leave time granted for illness or injury-in-line-of-duty will be calculated, as defined below.
- a. Whenever a full-time employee is absent from his/her duties as a result of an approved workers' compensation injury, the employee will be paid full salary for a period of 13 weeks (91 days) from the date of the accident. After this time period, and continuing up to a period of six months from the date of the accident, sick leave time may be used to keep the employee in full salary, such sick leave being computed at the daily sick leave rate less the daily workers' compensation rate, for each sick leave day granted. This sick leave may be restored to the employee upon request. If the employee elects to use sick leave to

APPENDIX II (Cont.)

keep himself/herself in full salary beyond six months from the date of the accident, these days will not be restored (Board Policy 1430.01).

Part-time employees (those not eligible for accrued sick leave) will be eligible for a maximum of 10 days paid injury leave and workers' compensation benefits, as defined by Florida Statutes, Chapter 440.

All fringe benefits will continue to accrue during authorized absences for injury or until the employee has returned to work or has otherwise concluded his/her compensation matter.

If requested, and in accordance with Florida Statutes, Chapter 440, Miami-Dade County Public Schools will provide the employee and/or the employee's immediate family with information and assistance throughout the entire workers' compensation process.

- b. To comply with Florida Statutes, Chapter 440, the Board's Workers' Education and Rehabilitation Compensation (WERC) Program will be utilized to support the placement of those eligible alternative duty employees into retraining classes or reassignment to other duties commensurate with the restrictions/limitations provided by the authorized compensation physician.
- c. Upon receipt of proper medical reports, all authorized medical expenses associated with workers' compensation care will be paid in full.

Section 11. Credit Union

Permanent employees have an opportunity to become members of the Dade County School Employees Federal Credit Union. The purpose of the Credit Union is to encourage regular savings and make loans available to members at low interest rates with payments arranged according to their income and ability to repay.

There are six locations to serve personnel; the main office is located at 7800 S.W. 117 Avenue, Miami (Telephone Number: (305) 270-5250).

Section 12. Tax Sheltered Investment Program

The School Board has a tax sheltered investment program in which all employees are eligible to participate. A tax sheltered investment program offers the tax advantage of deferring federal income taxes until the benefits are received. The employee who elects to enroll in this program pays for the entire cost by payroll reduction, based upon an amendment to his/her basic contract. The School Board has no liability or responsibility in connection with the tax sheltered investment program, except to show that the payments have been remitted for the purpose for which deducted.

There are generally two types of plans available -- annuities and qualified mutual funds available through insurance companies and broker/dealer companies, respectively. A list of these companies is published bi-monthly. The Office of Risk and Benefits Management will

APPENDIX II (Cont.)

also provide a list of these authorized companies, as well as a brochure describing this program in greater detail, upon request.

An employee may participate through one and/or two different companies. An employee may elect to make a change only one time within a calendar year. A change is defined as a start, re-start, increase, decrease, or the addition of a second company. The investment contract may be canceled via written request for cancellation at any time with at least 30 days' advance notice.

Section 13. Terminal Pay

- A. To encourage and reward full-time permanent employees who exercise particular care in the maintenance of their personal health and job attendance, the Board will provide terminal pay to employees at normal retirement, resignation, or to their beneficiaries, if services are terminated by death. Any employee not in service at the time of retirement shall not receive these benefits. Terminal pay shall not exceed an amount determined by the daily rate of the employee at retirement, resignation, or death, as follows:
1. During the first three years of service, the daily rate of pay multiplied by 35% times the number of days of accumulated sick leave;
 2. During the next three years of service, the daily rate of pay multiplied by 40% times the number of days of accumulated sick leave;
 3. During the next three years of service, the daily rate of pay multiplied by 45% times the number of days of accumulated sick leave;
 4. During and after the 10th year of service, the daily rate of pay multiplied by 50% times the number of days of accumulated sick leave;
 5. During and after the 13th year of service and until when first eligible for normal retirement, the daily rate of pay multiplied by 100% times the number of days of accumulated sick leave. Thereafter, the daily rate will remain frozen at the rate when first eligible for normal retirement. In no case, however, shall an employee whose daily rate has been frozen pursuant to this provision receive less than the amount determined as in D. below.
- B. Provisions for terminal pay at resignation apply only to those sick leave days accrued after July 1, 1982.
- C. Payment for the resignation and retirement benefit will be made in the fiscal year subsequent to the one in which the employee resigns or retires.
- D. Resignation or retirement, as referred to herein, shall mean termination of employment by action of the employee; such termination excludes resignation or retirement after a recommendation for dismissal or resignation or retirement after participation in a work stoppage, job action, or strike, in the absence of specific approval by the Board.

APPENDIX II (Cont.)

- E. The daily rate shall be computed by dividing the number of "working days" that year into the annual salary. "Normal retirement," as referred to herein, shall mean retirement under any retirement system established by the Legislature with either full or reduced benefits as provided by law. "Normal retirement" shall not be interpreted to include disability retirement. "Years of service" shall mean creditable years of service under any retirement system of the state of Florida.

Section 14. Salary Adjustments

- A. If an error is discovered in an employee's salary, which results in a positive retroactive adjustment to the employee, this error should be corrected back to July 1 of the fiscal year in which the error was attributable, but not to exceed two (2) fiscal years.
- B. If an error is discovered in an employee's salary, which results in an overpayment, this adjustment should be corrected for the period of time not to exceed two (2) years from the time the overpayment was discovered. Overpayment collections shall be made in the dollar amount and at the same rate as the overpayment was made; however, any employee encountering a problem in affecting a repayment, due to any reasonable and legitimate cause, will be given full consideration for an adjustment in the rate and amount of repayment.

APPENDIX III -- CLASSIFICATION PLAN AND POLICIES

A. COVERAGE

All AFSCME, Local 1184 bargaining unit positions shall be classified and paid according to the Non-Instructional Classification Plan, Policies, and Pay Schedules.

B. HIRING RATES

NORMAL HIRING RATES: The first step of each pay grade shall be considered the normal hiring rate for new employees. Under special circumstances, and with the approval of Compensation Administration, an employee may be hired or rehired at a salary step higher than the first step of the pay grade for the position being filled, but not higher than Step 5.

REPLACEMENT HIRES: All replacement hires normally will be made at the same pay grade level as the employee being replaced, provided job demands, responsibilities, and work content remain essentially unchanged. Where the responsibility or work content of a job is to be revised, the department supervisor shall advise Compensation Administration so that the position may be reevaluated for possible reclassification.

INTERIM APPOINTMENTS: Employees working in an under-classified status may not be given an increase in salary until such time as they become fully qualified for the position they are filling. Failure to do so within one year will result in the loss of the higher classification and it will be reduced to the level of the incumbent's attainment.

REHIRES: Former employees who are hired within two years after separation shall be placed on a step within the new pay grade determined by years of creditable service within the system. An employee who has been separated from the system for a period exceeding two years shall be treated as a new employee. A person may be rehired for a position in a different job family but should be hired on the same basis as a new employee.

HOURLY AND SUBSTITUTE EMPLOYEES: Applicants hired for work on classified jobs shall be paid in the following manner, provided they meet the eligibility requirements for the position:

	SALARY SCHEDULE	GRADE	STEP
5727 Cafeteria Substitute	B-4	Grade 13	Step 6
5735 Substitute Lunchroom Aide	B-4	Grade 13	Step 6
8022 Substitute Bus Driver	U3		Step 4
5605 Hourly Custodian	B-4	Grade 14	Step 5

APPENDIX III (Cont.)

Such employees are not eligible for annual step increments, unless otherwise provided for in this agreement. When an employee is hired on a temporary, hourly, or substitute basis, a Request for Personnel Action (RPA) form must be initiated by the hiring department, stipulating the period of time for which the employee is to be hired and the reason for the temporary hire. When temporary employment exceeds the estimated period, supervising administrators/department heads/principals are required to submit a memorandum to the Chief Officer, Human Resources justifying the need for extension of such employment.

MINIMUM WAGE COMPLIANCE: The School Board will comply with prevailing federal minimum wage standards, in accordance with the requirements of the Fair Labor Standards Act and the U.S. Department of Labor's Rules, Regulations, and Interpretive Bulletins regarding the Act.

C. ADVANCEMENT WITHIN PAY GRADES

1. This Section describes the method of using employee experience to determine placement on a salary schedule. Nothing herein shall be interpreted as entitling any employee to a raise or a specific salary. The value of a step or a schedule shall be set in negotiations. No employee shall be entitled to a compensation increase by application of this language. No employee's annual wage may be increased, except by written and ratified negotiated agreements.
2. Full-time permanent and part-time permanent employees will automatically advance one step each July until they reach the maximum of the pay grade to which they are assigned, provided their employment in a classified position commenced on or before March 31 of the current year.

D. TRANSFERS, PROMOTIONS, AND DEMOTIONS

All transfers, promotions, or demotions must be cleared and approved by the Office of Non-Instructional Staffing. Employees transferring to a new position must notify their present supervisor two weeks prior to the effective date of the transfer. Every effort should be made to report to the new position at the beginning of the new pay period.

TRANSFERS: When an employee is transferred or reassigned to a position in the same pay grade, he/she will receive no salary increase.

PROMOTIONS OR UPGRADES: Effective July 1, 2007, when an employee is promoted or assigned to a position which is classified in a higher pay grade, he/she will be given an increase to the step equivalent to no less than a 5% increase on the salary schedule, effective the start of the next pay period following the employee assuming responsibilities in the promoted or upgraded position. However, the new pay shall not exceed the maximum of the new paygrade.

Effective July 1, 2007, when his/her current annual salary is already in excess of the first step of the new paygrade, he/she will be placed on that step of the new paygrade that provides at least a 5% increase. (Promoted bus drivers will be placed on the salary step of the new paygrade that provides an hourly rate that is at least a 5% increase). If his/her salary is equal to or above the maximum of the range from the

APPENDIX III (Cont.)

position to which he/she is assigned, no change in salary shall be considered.

DEMOTIONS:

1. Unsatisfactory Performance - In the event an employee is demoted to a position in a lower pay grade, as the result of inability to perform satisfactorily in the higher grade, or is reassigned to a position in a lower pay grade at his/her own request, that employee shall be placed within the lower pay grade determined by the years of creditable service within the system. However, under no circumstances may an employee receive an increase in pay as a result of a demotion.
2. Reclassification of Job to a Lower Pay Grade - In the event a position is reclassified to a lower pay grade and the incumbent cannot be placed in a position of comparable pay grade, the individual's rate of pay shall remain the same, unless the current rate of pay is above the maximum of the new pay grade, in which instance the rate of pay shall be reduced to the maximum of the new pay grade.
3. Transfer to a Lower Pay Grade in Lieu of Layoff - In the event an employee is transferred to a position in a lower pay grade in lieu of layoff, the pay rate of the employee will be the rate step in the lower pay grade into which transferred corresponding to the rate step of the pay grade from which transferred.

E. JOB CLASSIFICATION

Compensation Administration shall be responsible for the day-to-day administration and management of the classification plan.

This authority shall include:

1. the administration of the rules and regulations governing this classification plan, Board Policies, administrative regulations, and provisions of the collective bargaining agreement pertaining to same;
2. the supervision of all activities pertaining to the management of the classification and compensation plans;
3. the classification of all new jobs;
4. the reclassification of existing jobs when necessitated by defined conditions;
5. the maintenance of current and accurate job descriptions for all approved jobs; and,
6. the surveying of all approved jobs to insure that each job is allocated to the proper job classification.

The parties agree to establish a joint committee of 10 representatives, five (5) from Miami-Dade County Public Schools (M-DCPS) and five (5) from the AFSCME. The

APPENDIX III (Cont.)

committee shall conduct a survey of AFSCME jobs to include compensatory and fringe benefits and job descriptions using comparative market available data.

The Chief Officer, Human Resources shall be the final authority for the classification or reclassification of approved jobs.

F. CLASSIFICATION OF NEW POSITIONS

1. All requests (Job Profile Support Personnel) for the establishment of positions new to the bargaining unit shall be submitted to Compensation Administration, for classification and evaluation.
2. No job shall be approved for funding or otherwise established until it has been classified and evaluated by Compensation Administration. Minimum qualifications and requirements may be submitted and will be used in the classification process.
3. The classification of a job will be based upon the nature and type of duties and responsibilities. As a guiding principle, those jobs which are sufficiently similar as to duties and responsibilities shall be allocated to the same class and treated the same for personnel and pay purposes.
4. The Compensation Administration Administrator may take into account such other pertinent factors as may exist when determining the classification and pay grade of a new position.
5. All proposals or requests to establish new positions shall be submitted to the bargaining unit for its review and comments.

G. JOB RECLASSIFICATION

1. A significant change in the duties and responsibilities of a job may necessitate reclassifying the job. Requests for job reclassification may originate from employees or supervisory personnel and shall be submitted to Compensation Administration.
2. The processing of Request for Reclassification shall not be delayed, deferred, or denied and shall not require the approval of the immediate supervisor or department head.
3. Upon receipt by Compensation Administration of the request for reclassification, Compensation Administration, within 90 working days, unless time is extended by mutual consent, shall render a decision.

5. Reclassification requests will not be considered in the first half of the budget period (July 1 - December 31) and reclassifications denied may not be

APPENDIX III (Cont.)

resubmitted in the same budget period. Where deemed appropriate, the Chief Officer, Human Resources is authorized to waive this Provision.

6. In reviewing Request for Reclassification, the Compensation Administration Administrator may recommend job, work unit, operational/structural, or staffing level changes as an alternative to job reclassification.
7. Salary increases for an employee whose job is reclassified and the classification is assigned to a higher pay grade shall be adjudicated in the same manner as salary increases for promotion.
8. In the event a job is reclassified and the classification is assigned to a lower pay grade and the incumbent cannot be placed in a job assigned to a comparable pay grade, the employee's rate of pay shall remain the same, unless the current rate of pay is above the maximum of the new grade. In which instance, the rate of pay shall be reduced to the maximum of the new grade.
9. Where a position is reclassified to a higher pay grade and the incumbent does not meet the M-DCPS requirements for the higher pay grade, the position shall be considered open and shall be advertised as a job vacancy. Incumbent not meeting the requirements will have 60 working days from the effective date of the reclassification to meet the job requirements. He/she may be placed in a position substantially equivalent to the one held prior to the reclassification.

H. PAY GRADE ADJUSTMENT

The Compensation Administration Administrator with the concurrence of the Chief Officer, Human Resources may adjust the pay grade of a job in the bargaining unit to achieve a greater degree of equity in the grade relationship of jobs in the bargaining unit. In the event the pay grade of a position is so adjusted, the employee's rate of pay shall remain the same, unless the current rate of pay is less than step one of the new grade, in which case, the rate of pay shall be adjusted to step one of the new grade. Prior to implementation of a paygrade adjustment of any job or class of jobs, the bargaining unit will be notified for its review and comment.

I. CLASSIFICATION APPEAL

K. SCHEDULED OVERTIME PAY

All full-time, non-instructional employees, other than certain executive, administrative, and professional personnel, are considered non-exempt employees.

Non-exempt employees are entitled to overtime pay at one and one-half their regular rate.

Overtime distribution lists shall be established to provide for distribution of available overtime, as equitably as possible, to qualified employees affected in their groups at the geographic work locations. Employees refusing overtime shall be charged with the number of overtime hours refused. Overtime lists shall be maintained by the work location designated steward, who will be allowed a reasonable amount of time during working hours for this purpose.

Employees charged with unauthorized absence in a given work week shall not be eligible for overtime for the remainder of that work week (including Saturday and Sunday). The overtime list shall be maintained and reviewed monthly with a Union designee(s) consistent with the work year. Employees on authorized absences shall not be denied overtime and shall retain their positions on the scheduled overtime distribution list.

L. EXTRA-TIME PAY FOR SCHOOL BUS DRIVERS

1. Bus Aide hours will continue to be aligned to the guaranteed minimum hours of Bus Drivers. A daily task assignment guarantee of five hours applies to summer school.

- a) Substitute bus drivers are excluded from the guaranteed task

APPENDIX III (Cont.)

assignment. However, they shall be paid for all hours on a route they are assigned when replacing a permanent bus driver.

- b) The regular daily task assignment includes: assigned route time; allowance of 15 minutes in the a.m. and 15 minutes in the p.m. for walk-around inspection; and daily allowance of 30 minutes for refueling, clerical tasks, and delivery of assigned vehicles to inspection stations or to garages for maintenance. Employees shall be paid actual time for inservice training.

After attainment of the regular daily task assignment, the bus driver will be paid for breakdown time.

The overtime list shall be maintained and reviewed monthly with a Union designee(s) consistent with the work year. Employees on authorized absences shall not be denied overtime and shall retain their positions on the scheduled overtime distribution list.

Extra-time distribution lists shall be established to provide for distribution of available extra-time on the basis of seniority in rotation in their groups at the geographic work locations. The extra-time list shall be maintained and reviewed monthly with Union designees consistent with the work year.

- d) A joint labor/management route bidding committee shall be established to develop a 2007-2008 route bidding process. The committee shall be comprised of six members: three selected by management and three by the Union. Recommendations shall be made to the Superintendent or his designee and the Union President by March 31st.

2. Field Trip Assignments - Field trip rotation assignments will be posted at each Transportation terminal.

- a) School bus drivers are required to make all assigned field trips. In cases of illness or emergencies that prevent a driver from making a trip, the bus driver will be responsible for notifying the designated administrative supervisor on the appropriate form. The administrator will reassign the trip in order of seniority on the rotation roster, based on the scheduling of the trip and the driver's availability to perform the field trip. If the next two drivers on the rotation rosters are unavailable, the supervising administrator shall document his/her actions and shall assign the trip to an available driver, using substitute drivers (8022, job code) only in an urgent situation.

Assignment of field trips will be made as follows:

- 1) During the bidding process, drivers will have the opportunity to

APPENDIX III (Cont.)

sign-up or decline field trip assignments. Prior to the beginning of the school year, the final field trip roster (by seniority) will be posted and a copy sent to the Union.

- 2) All field trips shall be assigned from the field trip roster by seniority on a rotation basis. Drivers who do not accept a trip will be skipped in rotation and not offered another trip until their name comes up again on the field trip roster. Acceptance of emergency trips shall not be held against the driver on the seniority rotation.
- b) The supervisor or designee at each terminal will be responsible for posting rosters of bus drivers and indicating the field trips assigned and declined. Each bus driver will be responsible for checking the roster and assuring that they are aware and available for the assignment or for prior notification of the supervisor or designee of their non-availability on the appropriate form.
- c) School bus drivers who are assigned field trips shall be compensated for travel time from compound to compound.
3. School Bus Driver and Bus Aide work assignments in support of Saturday Academies will be administered pursuant to the Department of Transportation Administrative Directives No. 94-954 and 94-956. Non-instructional employees who regularly work on a 10-month or lesser basis, and who file applications for summer employment prior to the end of April shall, all things being equal, be given priority consideration on temporary summer job openings for which they qualify.

No guarantee can be made that every such applicant for summer assignment will be employed. Every effort shall, however, be made to offer work opportunities equitably, within the limits of geographic availability and the skills and abilities of applicants for summer employment.

Effective Summer 2001, salaries for such additional summer employment shall be at the regular rate of pay received during the preceding school year when the summer job assignment is on the same salary schedule. Employees on temporary summer assignments will work the same hours and days as other employees at the work locations to which they are assigned.

Other than sick leave or military leave, in accordance with Board policy, no leave of absence with pay will be approved.

O. FOOD SERVICE MANAGER CLASSIFICATIONS

1. Food Service Manager levels are based on a combination of education and meal participation factors, plus completion of the Food Service Manager Intern Training Program as follows:

APPENDIX III (Cont.)

Job Title	Pay Grade	Education	Meal Participation**
Food Service Manager I	24	H.S. + 6 Hrs.	300 – 600
Food Service Manager II	27	H.S. + 21 Hrs.	601-1000
Food Service Manager III	30	H.S. + 33 Hrs.	1001+

- (a) Manager levels will be based on the current year's average meal participation determined as of the fall FTE count. Resultant changes in the manager levels will be effective as of the first pay period following the Fall FTE count.

** Schools with less than a daily average of 300 meal participations may be allocated a satellite assistant position.

- (b) Schools serving satellite operations will be allocated Food Service Manager positions at the level determined by the combined average meal participation of the regular school food service program and the satellite operation(s).
- Increases or decreases in satellite operations which result in Food Service Manager levels changing will be effective beginning the first pay period following the effective date of the satellite operation change.
 - Where no previous history exists, such as a new school, or change in school day, the Department of Food and Nutrition will estimate the meal participation factor which will be used to determine the level of Food Service Manager classification to be assigned to said school.
 - Food Service Managers who are unassigned or who are classified at a level above that authorized at the work location will be given priority consideration for assignment to any vacant position, for which they qualify, before being downgraded to a lower position.
 - Food Service Managers who have been downgraded due to decreases in average meal participation will be given priority consideration over new hires for positions that become vacant.
 - Food Service Managers, Assistants to Food Service Managers, Satellite Assistants, and Food Service Resource Specialists who receive official certification from the School Nutrition Association shall be entitled to a salary supplement in the amount of \$100. Such benefit shall not be retroactive but is effective from the date which Human Resources receives official documentation regarding such certification and shall be paid in a lump sum by June 30.

APPENDIX III (Cont.)

2. STAFFING

Full-time custodial positions which are determined to be "over allocated," as a result of the application of the custodial allocation formula at individual work sites, shall be eliminated only through natural attrition, voluntary transfers, or lateral transfers by seniority after each site review has been verified and after each school to be affected has received prescribed training and support.

APPENDIX V -- TOOL ALLOWANCE

Section 1. Permanent and probationary employees in the job classifications footnoted in Appendix IV, who, as a condition of their employment, are required by the School Board to provide and maintain their own hand tools in accordance with required tool lists stipulated by both parties to be adequate to meet the needs of the individual trades, established and maintained by the School Board, will receive an annual monetary allowance equal to 18 percent of the agreed value of the list. The approved tool list and replacement prices shall be modified prior to the effective date of this Agreement to reflect:

- (1) changes in the tool list due to changes of requirements and the state of the art, (e.g., metric tools, special tools); and
- (2) changes in replacement prices of the tools on the approved tool list. The allowance will be paid in one annual payment, the last payday in November, based upon qualification and calculation as of the last working day of September.

Section 2. Employees hired or promoted during the period preceding the annual calculation will receive a prorated allowance, based upon full months of employment. A major portion of the workdays in a month will be counted as a full month. Employees terminated for just cause will not receive an allowance for the period in which they are terminated. Employees who die, retire, or are laid off will receive a prorated allowance based upon their last date of employment.

Section 3. Each tool list shall include only those tools that are appropriate to the safe and efficient performance by the employee of the duties assigned within the job classification. Reasonable substitutions of tools shall be permitted with authorization by the Board. When changes are made in the list, or new tools are required by the Board, a reasonable period of time shall be allowed each employee to purchase the tools necessary for compliance with the tool list covering the job classification.

The Board shall make no requirements with respect to brand names or places of purchase of required tools; however, standards of quality and safety established by the bid specifications in the original acquisition by the Board must be maintained.

Section 4. All tools and tool boxes currently the property of the School Board that have been issued to employees in the designated classifications shall become the property of those employees to whom issued. In order to compensate the Board for the cost of these tools, the tool allowance, as agreed to above, shall not be paid for the first year of this Agreement but shall become effective thereafter. During this period and thereafter, additions and replacements shall be the responsibility of the employee.

All new employees hired after the effective operation of this Agreement shall be required to furnish their own hand tools, as per the approved hand tool lists, and shall be eligible for the allowance, as described herein. In the event an employee is terminated before the Board is fully compensated for the value of tool supplies, the employee may elect either of two courses of action:

APPENDIX V (Cont.)

- A. return the complete set of tools to the Board and forfeit entitlement to any allowance which may have accrued; or,
- B. retain the complete set of tools and make suitable arrangements to complete the compensation to the Board prior to receipt of any terminal pay which might be due.

Should the employee leave without making an election, the Board, at its discretion, may exercise option "B" above, and make appropriate deductions from any monies otherwise owed to the employee.

Section 5. Any necessary tools or equipment not on an approved hand tool list shall be designated as "shop tools," and shall be furnished by the School Board. Such tools shall remain the property of the Board. In general, the term "shop tools" shall designate power-driven equipment, hand tools of a size not normally carried in a portable tool box, and meters, gauges, and similar test equipment. This definition shall be subject to interpretation by comparison with existing tool lists, the customs of the trade, and negotiations, when required.

Section 6. The School Board shall continue to provide current levels of security for storage of tools and tool boxes in School Board facilities during off-duty time. In the event of the theft of tools from proper storage, the employee shall file a loss claim with the Board's Office of Risk and Benefits Management or assigned carrier. Awards, settlements, and other decisions affecting the claim will be governed by the terms of the agreements or policies then in force. The employee shall be responsible for replacement of any items stolen during the normal workday when the employee is on duty (such times, for the purpose of this Section, shall include meal and other break times), or at any time, as a result of personal negligence.

Section 7. Employees shall be entitled to remove any of their personally-owned tools (including those that become their property due to the operation of this Agreement) from their work site for off-duty use, subject to regulations detailing the method of such physical removal and other provisions of this Agreement. A full set of tools, as listed, must be available for use on any regular workday or for use on any authorized overtime. Such availability shall be subject to Board verification, upon demand, and subject to disciplinary action in accordance with Article XI, if not maintained. If any employee chooses to add tools to those required, they must be itemized on the employee's official inventory on file at the work location, with an appropriate valuation for personal insurance claims only. Loss of claims for any such tools not properly listed will be contested.
