- A. The Volusia County School Board hereby recognizes the Florida State Employees Council No. 79, American Federation of State, County and Municipal Employees, AFL-CIO Local 850 as the exclusive representative for the purposes of collective bargaining with respect to wages, hours, and terms and conditions of employment for all employees included in the Non-Instructional bargaining unit.

Section 3 - New Positions/Classes

When a new position is created in a classification that is included in the bargaining unit and the Board believes that the position should be excluded from the unit, the Union will be notified by being given a copy of the Board's application to PERC seeking the exclusion of the position from the unit.

***ARTICLE 2
DUES CHECKOFF***

Section 1 - Deductions

- A. During the term of the Agreement, the Board agrees to deduct union membership dues and uniform assessments, if any, in an amount established by the Union and certified in writing by an accredited officer of the Union to the Board, from the pay of those employees in the bargaining unit who individually make such request on a written checkoff authorization form provided by the Union. Such deductions will be made by the Board when other payroll deductions are made and will begin with the pay for the first full pay period following receipt of the authorization by the Board. The Union shall

advise the Board of any uniform assessments or increase in dues in writing at least thirty (30) days prior to its effective date.

- B. This Article applies only to the deduction of membership dues and uniform assessments, if any, and shall not apply to the collection of any fines, penalties, or special assessments.

Section 2 - Remittance

- A. Deductions of dues and uniform assessments, if any, shall be remitted exclusively to a duly authorized representative, as designated in writing by the Union, to the Board on a monthly cycle along with an electronic list containing names, employee identification number, work assignment location, and amount deducted of the employees for whom the remittance is made.
- B. The list and deductions shall be forwarded to an electronic address identified by the Union with an electronic copy to the President of Local 850 as soon as practical after deductions are made.

Section 3 - Insufficient Pay for Deduction

In the event an employee's salary earnings within any pay period, after deductions for withholding, Social Security, retirement, health insurance, and other priority deductions, are not sufficient to cover dues and any uniform assessments, it will be the responsibility of the Union to collect its dues and uniform assessments for that pay period directly from the employee.

Section 4 - Termination of Deduction

Deductions for Union dues and/or uniform assessments shall continue until either: 1) revoked by the employee by providing the Board and the Secretary-Treasurer of Local 850 with thirty (30) days written notice that he is terminating the prior checkoff authorization, 2) the expiration of the term of this collective bargaining agreement, 3) the termination of employment, or 4) the promotion or demotion of the authorizing employee out of this bargaining unit.

**ARTICLE 5
GRIEVANCE PROCEDURE**

A. Definition of Grievance

A grievance shall be defined as an alleged violation or the misinterpretation or misapplication of the specific terms of this Agreement.

B. Definitions

- 1. The term "day" when used in this procedure shall mean workdays, Monday through Friday, exclusive of holidays.
- 2. A "grievant" is an employee, group of employees, or the Union.

C. Withdrawal

A grievance may be withdrawn by the grievant at any time and at any step of this procedure.

D. Grievance Procedure

Whenever a grievance arises between the School Board and the employees or the Union, the matter will be handled in accordance with the following procedure:

1. Informal Procedure

Step 1 - The parties wish to encourage the resolution of potential grievances at the lowest level possible without having to resort to the formal grievance procedure. Therefore, no later than ten (10) days after the event that gives rise to the grievance or said event is known or should have been known to the employee, the grievant and/or his representative shall request a meeting with his immediate supervisor to discuss the potential grievance. The Step 1 meeting shall take place within ten (10) days of the request for a meeting.

2. Formal Procedure

a. Step 2 - If the potential grievance is not resolved through informal discussions within ten (10) days after the Step 1 meeting or after the expiration of the Step 1 timeline, the grievant may submit his/her grievance and a request for a Step 2 meeting in writing and sign it. The written grievance must include:

- (1) A statement of the grievance and the facts involved.
- (2) The remedy requested.
- (3) The Articles and Sections of the Agreement which grievant claims have been violated.

The Step 2 meeting shall take place within ten (10) days of said request. The immediate supervisor will respond to the grievance within ten (10) days after the meeting.

b. Step 3 - If the grievance is not resolved at Step 2 within ten (10) days of the decision of the Supervisor or the expiration of the Step 2 timeline, the grievant may appeal the decision to the Superintendent.

- (1) At the request of the Union or the employee, a meeting between the Superintendent or designee and the Union representative and the grievant shall be held at a mutually agreeable time, but not more than ten (10) days after receipt of the appeal to Step 3 by the Superintendent.
- (2) The Superintendent will issue his decision within (10) days after the meeting held under subparagraph (1) above.

3. Failure of the parties to meet and/or discuss a grievance to make a decision within the time provided in Step 1, 2, or 3 of the grievance procedure shall be deemed a denial of the grievance by the Management and the employee or the Union shall proceed with the next step as if the decision had been made on the last day allowed.

4. Mediation - At any step of this procedure, the parties may by mutual written consent utilize the services of an impartial mediator to assist in attempting to resolve the grievance. Recommendations of such a mediator shall not be binding upon the parties nor admissible in any arbitration or other proceeding without the express written consent of both parties.

- E. Arbitration - Except as otherwise stated in this Agreement, arbitrable grievances that have been properly submitted under Section D shall be subject to arbitration in accordance with the following procedures.

Arbitration proceedings must be initiated by the Union sending a written demand to the Superintendent for arbitration. This demand shall be received by the Superintendent within fifteen (15) days of the decision in Step 3 or the last day on which a Step 3 decision could have been made, whichever first occurs.

- F. Selection of Arbitrator - As soon as possible after the demand for arbitration is served and a list of Florida based arbitrators have been received from the American Arbitration Association (AAA) or other arbitration service providers agreed to by both parties. The parties shall meet or confer by telephone in order to select an arbitrator to hear and decide the grievance. The Union and the School Board shall each have the right alternatively to strike three (3) names from the list. The party to strike first shall be decided by the flip of a coin. The name remaining shall be the arbitrator. Subject to Section I, the arbitrator selected shall decide the dispute and such decision shall be final and binding on the parties and the employees. The involvement of AAA or other arbitration services providers agreed to by both parties shall be limited to the selection process.
- G. Fees and Expenses – The fees and expenses of the arbitration shall be borne equally by the parties. Each party shall be responsible for their own attorney’s fees and any court reporting services it utilizes in any arbitration proceedings. If the hearing occurs during the work time, the grievant and any witnesses shall be given the necessary release time.
- H. Authority of Arbitrator - The arbitrator shall have no power to add to, subtract from, modify, or alter the terms of this Agreement, nor shall the arbitrator have the power to arbitrate any matter expressly or by implication excluded from arbitration. Discovery may be permitted upon stipulation of the parties. The arbitrator is not to proceed in contravention of the limitations upon his powers as expressed in Section I hereof.
- I. Arbitrability - If a dispute exists concerning the arbitrability of an issue referred to arbitration, the issue of arbitrability shall be the first issue before the arbitrator and no other matter will be considered by the arbitrator until he has issued his findings on the question of arbitrability.
- J. Decision - The decision of the arbitrator on any arbitrable issue shall be supported by substantial evidence on the record as a whole and shall be final and binding on the employee, School Board and Union.
- K. Time Limits - The time limits set forth in Sections D and E are to be considered essential to the grievance and arbitration procedure, and failure of the employee or the Union to meet any time limit set forth therein shall, unless the parties by mutual agreement have extended a time limit, constitute waiver of the grievance and acceptance of the Superintendent's or Board's position.
- L. Time Off/Pay - Steps 1, 2 and 3 of the grievance procedure shall be carried out at a time and place mutually agreeable to all parties based on operational needs and neither the employee nor the employee's Union representative, if any, shall lose pay. The Superintendent shall determine when Step 3 shall be processed and if the step is processed during their scheduled working hours, neither the grievant nor the Union representative shall lose pay. Grievance meetings are not evidentiary, and no witnesses will be called.

M. General

1. The filing of a grievance shall in no way interfere with the right of the School Board or the Superintendent to proceed to carry out its management responsibilities, subject to the final resolution of the grievance. The employee shall abide by the management decision involved in any grievance prior to and during the time the grievance has been filed and shall not discontinue his/her duties prior to or during the time a grievance is being processed, unless the employee has been terminated.
2. No reprisals of any kind shall be taken by the Board, Administration, or Union against any employee because of his participation or non-participation in the procedures set forth in this Article.
3. A grievance may be initiated at Step 3 of the grievance procedure if requested by the Union and agreed upon by the Superintendent.

N. Right to Representation - A party to a grievance proceeding shall have the right to request representation of his choice at any step of the informal and formal proceedings. The grievant shall not be required to discuss any grievance filed if the grievant's representative is not present; however, the grievant will select another representative in order that a meeting may proceed. An employee may avail himself/herself of the grievance procedure in person or by counsel and have such grievance adjusted without intervention of the Union provided that:

1. the adjustment is not inconsistent with the terms of this Agreement; and
2. the Union has been given reasonable opportunity to be present at any meeting called for in the resolution of such grievance; and
3. the Union shall be provided a copy of the decision at each step.

O. Instant Arbitration

1. By mutual agreement the parties may initiate instant arbitration if in the Union's opinion the matter affects an employee in regard to pay, transfer, or any other matter having an immediate detrimental effect to the employee(s) or Union.
2. The parties agree to maintain a cadre of arbitrators specifically for this purpose and will strike for an arbitrator within five (5) days of the Union's notification to the employer that the Union is invoking this Article.
3. Cost and decision of the arbitrator will be consistent with paragraph G.

ARTICLE 6
DISCIPLINE AND DISCHARGE

Section 1 - Disciplinary Action

- A. An employee may be disciplined only for just cause. As per Weingarten Rights an employee may have a steward, or a Union Representative or a Local 850 Union Officer present during any disciplinary investigation in which the employee is being questioned relative to alleged misconduct of the employee. The employee shall be advised of the nature of the meeting at the beginning of the meeting. If during any meeting or conference with an employee the possibility of discipline arises, at

the request of the employee for representation, the supervisor conducting the meeting shall immediately discontinue the meeting until representation is secured. Exercising representative rights by the employee shall not delay the investigative process more than twenty-four (24) hours unless mutually agreed.

No employee shall have disciplinary action taken against him or her based solely on anonymous sources. An employee against whom disciplinary action is taken under this Article shall have the right to review all of the information relied upon to support the action, subject to legal restrictions, and shall be given a copy. A copy of such information shall be provided to the Union, when the Union represents the employee.

Any employee covered by this agreement who is notified of a charge of misconduct which could result in termination shall, at the option of the employee, have the right to request a hearing under Chapter 120.57, Florida Statutes, or the employee may elect to file a grievance under this agreement after adverse action by the Board. An employee who elects to proceed under Chapter 120.57 Florida Statutes may further elect to proceed before a hearing officer appointed by the Florida Division of Administrative Hearings, whose decision will be regulated under Chapter 120.68, Florida Statutes, or may elect to proceed before the Volusia County School Board. If the employee chooses to contest the charges, the employee must, within twenty (20) days after receiving notice of the charges, elect in writing to the Superintendent and AFSCME president to proceed to a hearing under Chapter 120.57, Florida Statutes or to utilize the grievance procedure of this agreement, after adverse action by the Board. Under no circumstances may the employee utilize the grievance procedure after participation in a hearing under Chapter 120.57, Florida Statutes. Any committee established by the Superintendent to review and revise the Procedure to Implement Safe Operation of School Board Vehicles for All Operators of School Board Vehicles will have two (2) members of this bargaining unit. The committee to administer the established procedure will include two (2) members of the bargaining unit.

- B. Under normal circumstances the Board will follow the tenets of progressive discipline in the administration of its disciplinary standards.

Progressive Discipline

The parties recognize the value of due process and progressive discipline. The following progressive steps will be followed in administering discipline; understanding, however, that some more severe acts, as determined by the superintendent, of misconduct may warrant circumventing the established procedure. The three step Progressive Discipline would be as follows

1. Written reprimand
2. Final written reprimand and/or suspension
3. Termination

When the employee is to receive a written reprimand, a copy of the reprimand shall be provided to the employee once it is finalized. The employee shall have the opportunity to make a written response to the reprimand. A copy of the response shall be made to the principal or appropriate administrator.

- C. Discipline shall be defined as (1) the suspension of an employee; (2) the termination of an employee during the term of his or her annual contract, after he or she has completed the initial probationary period; or (3) the non-reappointment of an employee who has successfully completed three consecutive years of employment with the District and been reappointed for a fourth year.

- D. A demotion shall be defined as the involuntary reassignment of an employee to position in a classification which has a lower hourly rate of pay, for reasons not related to Article 15, Layoff and Recall. An employee who has been subjected to a demotion shall have the right to a meeting with the superintendent /designee to discuss the matter and present any evidence he/she may have on the issue of whether the demotion was warranted.
- E. If an employee is suspended from duty and is subsequently exonerated by the Board of charges that resulted in this suspension, the employee shall be fully compensated by the Board for such period of absence according to their status at the time of suspension and be returned to full duty with no loss of pay. The employee shall further be returned to their former job classification.

Section 2 - Employee File

Personnel files shall be maintained in accordance with Florida Statutes, Florida State Board of Education Administrative Rules, and Volusia County School Board Policy. Refer to Chapter 1012.31, Florida Statutes and Volusia County School Board Policy 412.

***ARTICLE 7
NO STRIKE***

Section 1 - No Strike Agreement

Neither the Union nor any of its officers or agents nor members covered by this Agreement, nor any other employees covered by this Agreement, will instigate, promote, sponsor, or engage in any prohibited activities as defined in Section 447.203(6), Florida Statutes.

Section 2 - Penalty

Any or all employees who violate any provision of the law prohibiting strikes or of this Article will be subject to disciplinary action up to and including discharge, and any such disciplinary action by the Board shall not be subject to the grievance procedure established herein.

***ARTICLE 8
PREVAILING RIGHTS***

All pay and benefits provisions published in the Board's personnel rules and regulations which cover employees in the bargaining unit and which are not specifically provided for by this Agreement shall be afforded the employee.

***ARTICLE 9
MANAGEMENT RIGHTS***

The Board has the right to set standards of service to be offered to the public and exercise control and discretion over its organization and operations, and to fully exercise all management rights not addressed in this Agreement.

The Board may direct its employees, take disciplinary action for just cause, and relieve its employees from duty because of lack of work, or other legitimate reasons, provided, however, that the exercise of such rights shall not preclude employees from raising grievances through their Union, should decisions on the above matter have the practical consequences of violating the terms and conditions of any collective bargaining agreement in force.

The Board has the sole right to determine the qualifications of employees, the work to be performed, the number of employees who will perform the work, and the classifications of employees involved.

**ARTICLE 10
EMPLOYEE PROTECTION**

The Board will furnish legal counsel to members in defense of civil legal actions arising out of the discharge of their duties within the scope of their employment in the school system, unless the Board finds that the member acted in bad faith, with malicious purpose, or in a manner exhibiting wanton and willful disregard of human rights, safety or property.

**ARTICLE 11
SUPERVISOR/EMPLOYEE RELATIONS**

Complaints by an employee that he is not being dealt with in a reasonable and equitable manner in day-to-day relations with his supervisor may be carried by the employee to the worksite supervisor or principal. The employee upon request shall be accompanied by a steward or Local Union Representative.

**ARTICLE 12
WORK RULES**

- A. The Board may establish reasonable and necessary rules of work and employee conduct. Administration or enforcement of such rules will be fair and equitable.
- B. The Board agrees to prepare and issue an Employee Handbook to each employee in the bargaining unit containing information regarding rules of conduct, insurance benefits and options, and work rules which pertain to the employee. This handbook shall be presented to all new employees at time of employment for signature and an electronic version sent to each employee via email.
- C. Any employee who has not been issued an electronic handbook shall receive a handbook within forty-five (45) Workdays of the signing of the contract.
- D. The Board will provide access to employee handbooks and Standard Operating Procedures Manuals electronically or at worksites for review.

**ARTICLE 13
JOB ASSIGNMENTS**

Section 1 - Promotions

A promotion shall mean an advancement to a higher job classification with a higher hourly wage. A change in step increment or an increase in hours shall not be interpreted as a promotion.

Section 2 - New Worksites/Hubs

When the Board establishes a new worksite/hub, the following terms shall apply:

- A. A vacancy announcement will be created describing the number of positions available, the classifications involved, and shall specify the required qualifications, training and specific competencies needed for each position.
- B. If the administration has determined that the vacancies are to be filled from one or more specific established worksites, the announcement shall be publicized to the employees at those worksites in the affected classification(s).

- C. If the administration has determined that the vacancies are to be open district wide, then the positions shall be posted pursuant to Article 17 - Vacancies.
- D. Employees volunteering for the transfer who meet all of the required qualifications, training requirements and specific competencies listed in the posting shall be given first consideration. The Board will endeavor to fill the vacancies with qualified applicants currently employed by the Board who meet the training requirements and specific competencies listed in the posting. Where two or more applicants are judged by the worksite supervisor to be equally the most qualified applicants based upon a comparison of the required qualifications, training and specific competencies needed for the position, then the applicant with the highest district seniority shall be given preference.
- E. If in the judgment of the administration, the pool of applicants resulting from the posting does not include sufficient persons qualified for the positions who meet the training requirements and specific competencies listed on the posting, the administration shall have the right to make involuntary transfers of employees. When making involuntary transfers, all criteria listed on the posting shall be considered. The employee to be transferred will normally be the employee with the least district wide seniority:
 - 1. who meets all the qualifications, training, and specific competencies needed for the position;
 - 2. who does not possess any additional qualifications, training or competency required at the original worksite in the judgment of the worksite supervisor. In addition, such employee will not be subject to involuntary transfer if his or her employment at the original worksite is necessary, in the judgment of the worksite supervisor, in order to provide staff balance and best meet the needs of the school community.

ARTICLE 14
SENIORITY

- 1. Seniority shall be defined as an employee's uninterrupted service with the Board including sick leave and any other Board approved leave with pay. Absence(s) due to Board approved long-term leave without pay shall not be counted toward seniority but shall be considered as uninterrupted service.
- 2. All seniority shall be lost for the following reasons:
 - A. If the employee quits
 - B. If the employee is discharged
 - C. If the employee retires
 - D. Layoff exceeding one year
 - E. Failure to report from layoff within the time limits prescribed
 - F. Failure to report from any long-term leave, including military, within the time limits prescribed
 - G. Once an employee signs an NET and the board finalizes the action. All previous employees whose seniority was lost due to the arbitrators ruling in FMCS Case No. 13-00621-3 shall remain the same.

3. An employee whose district seniority is broken for any of the above reasons shall be considered as a new employee if he is again employed by the Board.
4. The Board shall provide the union with a Personnel action list covering bargaining unit employees. This list will contain names, classification and date of action. Within twenty (20) workdays after ratification date the Board shall provide the union with a copy of an up-to-date district seniority list and thereafter on a semiannual basis. The list will be in electronic format by department in order of district seniority giving the names, job titles, and date of hire. A copy shall also be posted in each department.
5. Where a high school diploma is an eligibility requirement for such promotion, excluding School Way Café Managers and Interns, successful work experience or completion of a certificate vocational program in the field may be substituted for the required diploma as determined by the Human Resources Department.
6. An employee who transfers to a position with the Board outside the bargaining unit and who subsequently returns to a position within the bargaining unit will have his district seniority restored equal to what it was at the time he left the bargaining unit.
7. Provided the employee is able to perform the work, seniority and personal preference will be considered when an opening occurs in shift assignments for transportation mechanics.
8. For the purpose of route bid selection, seniority should be calculated by determining the uninterrupted length of service as a bus operator and attendant assigned to Student Transportation Services. A transfer between these two classifications shall not cause a break in seniority.

***ARTICLE 15
LAYOFF AND RECALL***

Section 1 - Definitions and General Provisions

- A. Job classification - position within an occupational group as listed in Appendix A of this Agreement
- B. Seniority - as defined in Article 14, Section 1 of this Agreement
 1. Layoff is the separation of an employee for lack of work or funds, without any fault or delinquency on the employee's part. Employees shall be laid off in accordance with district seniority in their job classification.
 2. In the event that two (2) or more employees have the same district seniority in their job classification, the Board will make the decision based on the employee's experience, training, and job performance to determine which employee remains.
 3. The Board agrees to provide the Union with a list of names of the employees being laid off and such notice shall be sent at the time that it is issued to the employees affected. Employees to be laid off shall be notified as soon as possible after the decision is made. In no event shall the Board give less than ten (10) working days' notice to affected employees.

Section 2 - Procedures

A. Layoff

The employer shall determine when a layoff is necessary and shall determine the positions to be eliminated or reduced. In the event of a layoff within a given job classification, the following procedures shall be followed:

1. The employer will determine how many employees must be removed from the job classification.
2. The employer will remove employees from that job classification in reverse order of district seniority.

B. Reduction of Hours

The employer shall determine when a reduction of hours is necessary and shall determine the number of hours to be reduced. In the event of a reduction of hours within a given job classification the following procedures shall be followed:

1. The employer will determine how many hours must be reduced from the job classification.
2. The employer will reduce hours within that job classification in reverse order of district seniority.

C. Exceptions

1. The adjustment of hours for School Way Café Assistants, Bus Operators and Bus Attendants is exempt from these layoff provisions.
2. Any transfer of personnel deemed necessary by the Board as a result of any layoff or reduction of hours shall be exempt from the vacancy announcement requirement.

D. Recall

Employees in layoff status will retain recall rights for one (1) year and shall have preference to work over other applicants.

1. Recall will be made by certified mail to the last address in the employee's records. Within five (5) workdays of the certified receipt date, laid-off employees must signify their intention of returning to work to the Personnel office. Failure to respond to the notice shall constitute a resignation by the employee.
2. When employees are recalled from lay-off, the employee with the greatest district seniority in that classification shall be recalled first. If the laid-off employee, when offered recall, is temporarily unable to return to work due to medical reasons, he may request an extension of recall rights, not to exceed two (2) months. Such medical reason must be substantiated by a doctor's statement.

- E. In order to avoid lay-off an employee may elect to move to a lower classification to the least senior position in the same occupational group (as described in Appendix A) providing the employee has more district seniority than an employee who might be displaced as a result of the demotion.
- F. If the affected employee does not elect to accept a demotion under Section E above and is unable to move into a lower classification, the employee may move laterally or down to the least senior position in any other classification previously successfully held within the bargaining unit. If such a move is not available, the employee may move into any other lower classification in the classification series of the position previously held using the same procedure.
- G. If the affected employee is unable to move into any position as provided in Sections E and F above the employee shall be laid off.

ARTICLE 16
DAYS AND HOURS

A. Workday

Employees may only work overtime with prior approval from their supervisor. All full day employees will be required to work an eight-hour day. In the event the Board declares a four-day work week for all or part of the workforce, the workday shall consist of ten (10) hours including two fifteen-minute breaks and a 30-minute unpaid lunch. In addition, employees may request a four-day work week. Management will endeavor to respond within ten (10) workdays. The grant of such a request is within the sole discretion of management.

B. Work Week

The work week shall consist of no more than five (5) days of work.

C. Overtime

1. When full day employees are directed to work overtime in addition to their regular hours, totaling more than forty (40) hours per week, they shall be compensated for the additional time at the rate of time and one-half (1 1/2) of the normal rate of pay. When the employee designated above works on Board designated holidays, he/she shall be compensated at double time for the actual number of hours worked. The employee will also be compensated the normal rate of pay for Board designated holiday based on his/her normal allotted hours per day. Collective bargaining law recognizes the managerial right to require overtime. Management will first seek to find a qualified employee from within the applicable worksite who agrees to accept the overtime assignment. It shall be the employees' option to be compensated for overtime worked with either compensatory time or pay. Compensatory time must be used first and cannot be carried over to the next fiscal year. If no qualified employee agrees to work overtime, management shall have the right to require the overtime. However, under the terms of this agreement, if an employee is being required to work overtime but has a concern regarding a potential time conflict, then the employee will have an opportunity to discuss the matter with the supervisor. The supervisor shall make a record of the discussion. Reasonable efforts will be made to accommodate the employee. Absent extenuating circumstances, the district will endeavor to pay overtime in the pay period in which it was earned, and no later than the pay period immediately following the pay period in which it was earned.

2. Employees who work less than an eight (8) hour day will be compensated at the rate of time and one-half (1 1/2) of the normal rate of pay for time worked totaling more than forty (40) hours in a work week.
3. The use of compensatory time shall be in compliance with the Fair Labor Standards Act for all bargaining unit employees.
4. The Maintenance Department will have established procedures for bargaining unit employees. Effective upon ratification of this contract, unplanned overtime will be distributed as follows: the hub/worksites area; qualified employees by trade; seniority within the hub/worksites.
5. Managers will be assigned to one school except in cases of emergency. When assigned to two schools, the agreement is that it will be a temporary assignment (until a manager is hired) and a supplement up to \$3,000, based on a 10-month annual proration on a monthly basis will be paid.

D. Special Functions

School Way Café employees who work on special functions, funded by a business or agency outside the school system, in addition to their regularly assigned work hours, shall be compensated at a rate of time and one-half (1 1/2) of their normal rate of pay.

E. Meetings Outside of Regular Assigned Work Hours

Employees, when required to attend will be compensated at their regular rate of pay (or overtime where applicable) for in-service meetings and training sessions held between or after their regular working hours. Should the in-service meetings and training sessions be mandatory, mileage reimbursement, when transportation is not offered, will be calculated and paid in accordance with Board Policy 717.

The issue of whether employees should be paid for time between the end of their regular work hours and the start of the in-service meetings and/or training sessions shall be governed by the requirements of the Fair Labor Standards Act and will be dealt with on a case-by-case basis.

F. Emergency Call Backs

An employee on Emergency Call Back shall be paid for the additional hours worked and the time normally required to travel to the work site or a minimum of two (2) hours, whichever is greater. This emergency call back provision shall only apply where the employee is given less than forty-eight (48) hours advance notice of the call back.

Supervisors will minimize telephone contact with employees after hours.

G. Lunch Time

The lunch period for each employee, with the exception of bus operators and bus attendants, shall be thirty (30) minutes for employees with regular scheduled work hours of six (6) or more. Employees shall not be paid for lunch periods. Employees with a six (6) hour workday may waive the 30 minute lunch period with the agreement of the worksite administrator. Lunch breaks may not be taken at the end of the shift without the approval of the Supervisor.

H. Break Time

With the exception of bus operators and bus attendants there shall be a ten (10) minute break with each four (4) hours worked. Employees will be available for work during break time.

I. Paid Holidays

Twelve (12) month employees shall receive nine (9) paid holidays in accordance with Board adopted Salary and Payroll Information Document. School Way Café Managers and Interns shall receive one (1) paid holiday identified by the district in accordance with Board adopted Salary and Payroll Information Document. Effective July 1, 2016, the number of paid holidays for School Way Café Managers and interns working 190 days shall receive six (6) paid holidays from the current one (1) paid holiday.

J. Job Description

The Board agrees to prepare and maintain a job description that will be updated on a yearly basis or whenever there is a significant change in specific duties assigned to the employee. Each employee shall receive a copy of his job description. The parties recognize the value of cross-training to enhance skills and provide advancement opportunities.

K. Except for employees in Transportation Services, Health Services or School Way Café, a reasonable notice of two (2) weeks will be given to an employee if it becomes necessary to alter their schedule or assignment. However, if the employee chooses to relocate sooner, the two (2) week notice may be waived for that particular transfer. If such a change involves a change in workdays to include a regular Saturday or Sunday schedule, the Union shall also be notified. Employees in Transportation Services or Way Café services shall be notified of a change in schedule soon after the cafeteria manager or director/designee of transportation services becomes aware of the change.

School Way Café will attempt to provide a notice of two (2) weeks to employees if it becomes necessary to alter their work schedule on in-service days.

L. Effective July 1, 2016, individuals hired into 12-month positions with AFSCME, or transferring into or between 12-month positions, will be placed on a 250-day contract. Individuals on a 255- or 260-day contract will have the opportunity to opt into a 250-day contract. Once an employee opts into a 250-day contract he/she will not be able to return to a 255-260 day contract.

M. Effective summer school 2017 individuals hired for summer employment in the same classification as his/her contracted position will be paid his/her regular hourly rate of pay as previously presented consistent.

N. School Way Café summer school position will first be offered to the manager at the school that is hosting the summer school program. If that manager does not want to work summer school, then the work will be offered to the next manager who wants to work based on seniority. If no manager wants to work during the summer program, then it will be offered to graduate interns based on seniority. If no graduate interns want to work the summer program, the summer school position will be offered to training interns based on how far along they are in the intern program and seniority. Example: if we have two intern programs going on at the same time the interns that have been attending classes longer would be given first option over the newer interns.

O. Facilities and Maintenance Mechanic on Call Program: Starting January 2, 2020 the district will implement a voluntary stand-by roster based on district seniority to respond to emergency situations

after hours. The District will add qualified staff to the roster based on seniority lowest to highest. When in the best interest of the School District, personnel will be required to accept stand-by assignments.

Personnel on stand-by are required to maintain a state of readiness to work during the hours which are not routinely scheduled as regular working hours. The personnel on stand-by will receive seventy-five (\$75.00) dollars per day for being on call. Two employees will be on call one to cover the east side of Volusia County and one to cover the west side of Volusia County.

The 2-hour minimum will be paid at the overtime rate when applicable.

The standard operating procedures and any changes for the Mechanic on Call Program shall be a collaboration between district administration and union stewards.

ARTICLE 17 VACANCIES

- A. When a vacancy occurs, the Board agrees to post in all Work Centers a vacancy announcement regardless of the provisions of paragraph C below. The announcement will specify required qualifications and specific competencies needed for the position, the salary range, the procedure for interviews, whether a temporary or permanent position, and deadline dates for application.

Candidates will have at least five (5) days in which to apply after the date of issuance of the announcement. The Board will endeavor to fill vacancies with qualified applicants currently employed by the Board. In all matters of promotions, and voluntary lateral transfers, the employee with the highest district seniority will be given preference provided such employee has equal or better ability to satisfactorily perform the work in question as determined by the work site supervisor.

- B. Employees who are interviewed but not selected will be notified to that effect. Upon written request a written explanation will be given as to why they were not selected.
- C. The Board may fill a vacant position on a temporary (90 workdays) basis whenever necessary without regard to seniority. Vacancies in permanent positions will be filled on a temporary basis only when necessary.
- D. New employees shall be considered probationary for the first ninety (90) working days, during which time such employees shall be considered employees at will. Thereafter, they shall be considered regular employees and shall have the rights under this collective bargaining agreement. An employee shall not be considered to have a right to continued employment under the terms of this contract until he or she has successfully completed three consecutive years of employment with the district and has been reappointed for a fourth year. Nothing in this contract will be construed to grant a probationary employee a right to continued employment during the employee's initial probationary period.
- E. All regular employees who are granted a transfer to a position at a specific site assignment shall not be considered for a voluntary transfer or reassignment for a period of one year, unless otherwise agreed by the supervisor.
- F. Employees who regularly work on a ten (10) month or lesser basis shall be given consideration for temporary summer job openings for which they qualify and apply.

**ARTICLE 18
SAFETY**

Section 1 - Safety Committee

AFSCME representatives will be included in district-wide and site-based safety committees as such committees are established pursuant to school board policy. AFSCME shall be given input on the development of the safety committee policy as such policy is developed in consultation with the currently established district-wide safety committee, which includes representatives from the administration and the other two bargaining units and AFSCME.

Section 2 - Employee Safety

- A. The Board shall provide and maintain First Aid kits in work areas and vehicles and shall inspect such kits periodically.
- B. When an employee believes that an unsafe or unhealthy working condition exists in the work area, the employee shall immediately report the concern to his or her supervisor for direction. The employee shall also have the opportunity to submit the concern in writing on a form designated by the administration.

**ARTICLE 19
LEAVE PROVISIONS**

Any employee who is willfully absent without leave will forfeit compensation for the time of such absence and will be subject to disciplinary action up to and including dismissal.

Any earned leave taken under this Article may be taken in increments of fifteen (15) minutes.

Nothing in this article shall be applied to conflict with state law. To the degree there is a conflict between state law and this article, the terms of state law shall govern.

Section 1 - Paid Sick Leave

- A. Any employee employed on a full-time basis who is unable to work because of personal illness or disability, or because of illness or death of father, mother, brother, sister, husband, wife, child or other close relative, shall be granted paid sick leave. The district shall establish procedures to be followed by employees regarding the use of sick leave, including verification procedures (e.g., the administrator may request a physician's verification when the employee has been on sick leave for three (3) or more consecutive days) and procedures for obtaining medical releases where necessary. Employees will be given prior notice if such procedures are changed.
- B. Each employee employed on a full-time basis shall earn one (1) day of paid sick leave for each month of employment which shall be credited to the employee as prescribed by law and which shall not be used prior to the time it is credited. Four (4) days of earned sick leave shall be credited to the employee at the end of the first month of employment each contract year. However, the employee shall be entitled to earn no more than one (1) day of paid sick leave times the number of months of employment. Employees shall earn paid sick leave for employment in the summer programs provided in the Florida Statutes. Paid sick leave shall be cumulative from year to year.
- C. Total accumulated paid sick leave may be used in any one (1) year when necessary. In no case will an employee be allowed to use unpaid sick leave until all earned sick leave is depleted.

- D. Earned paid sick leave in another Florida school district or in the Florida Department of Education shall be transferred at the request of the Human Resources Department and credited to any employee having such accrued leave at the same rate as the employee earns in the district.
- E. Any employee whose personal illness extends beyond the period covered by accumulated sick leave pay should request a leave of absence. Unearned sick leave will be permitted for a maximum of thirty (30) cumulative workdays. Leave beyond this period must be a Board approved Leave of Absence. Any unpaid leave provided under FMLA shall count toward this thirty (30) day limit. If the employee is unable or unwilling to complete the request for such a Leave of Absence, the Human Resources Department may initiate the leave for up to ninety (90) days or the remainder of the fiscal year.

Section 2 - Terminal Sick Leave Pay

- A. Terminal pay for accumulated sick leave will be in accordance with the following schedule. If termination of employment is by death of the employee, any terminal pay to which the employee is entitled shall be made to the beneficiary as identified with the Florida retirement system or other beneficiary identified to the School Board by the Employee.
 - 1. During the first three (3) years of service in Volusia County, the hourly rate of pay multiplied by thirty-five percent (35%) times the number of hours of accumulated sick leave.
 - 2. During the next three (3) years of service in Volusia County, the hourly rate of pay multiplied by forty percent (40%) times the number of hours accumulated sick leave.
 - 3. During the next three (3) years of service in Volusia County, the hourly rate of pay multiplied by forty-five percent (45%) times the number of hours of accumulated sick leave.
 - 4. During and after the tenth (10th) year of service in Volusia County, the hourly rate of pay multiplied by fifty percent (50%) times the number of hours of accumulated sick leave.
 - 5. For retirement or death, terminal pay during or after the thirteenth (13th) year of service in Volusia County will be at the hourly rate of pay multiplied by one hundred percent (100%) times the number of hours of accumulated sick leave.
 - 6. Employees participating in the Deferred Retirement Option Program (DROP) shall be permitted to receive the terminal sick leave pay for which they are eligible at the time they enter the program. Such payment(s) shall be paid into the tax deferral plan as required by paragraph 7 below. Such payment shall be limited to twenty percent (20%) of the sick leave accumulated at the time the employee enters DROP such percentage being paid in each year the employee is in the program, with any balance being due upon actual retirement.
 - 7. Terminal sick leave pay shall be paid into a tax deferral plan adopted by the school board, and shall then be paid to the employee in accordance with the terms of such plan.
- B. Upon written request, an employee will receive an annual payment for accumulated sick leave that is earned for that year and that is unused at the end of the employee's work year according to the following schedule:
 - 1. During the first three (3) years of service in Volusia County, the hourly rate of pay multiplied by sixty-five percent (65%) times the number of eligible hours of sick leave.

2. During the next three (3) years of service in Volusia County, the hourly rate of pay multiplied by seventy percent (70%) times the number of eligible hours of sick leave.
3. During the next three (3) years of service in Volusia County, the hourly rate of pay multiplied by seventy-five percent (75%) times the number of eligible hours of sick leave.
4. During the tenth and beyond years of service in Volusia County, the hourly rate of pay multiplied by eighty percent (80%) times the number of eligible hours of sick leave.

Hours for which such payment is received will be deducted from the accumulated leave balance.

Section 3 - Paid Personal Leave

Six (6) days sick leave each year may be used as paid personal leave. Five (5) of the six (6) paid personal leave days may be taken stating "no reason given". The other day must be requested stating reason for leave. For bus operators and bus attendants, hours credited as paid personal time available will be based on an eight (8) hour day for a total of forty-eight (48) hours annually. Paid personal leave cannot exceed the current assigned hours.

Paid Personal Leave, including the "no reason given" day, must be requested in advance. Where emergency conditions exist, the leave may be requested after the fact, however, the worksite supervisor or designee MUST be notified of such emergency leave by the start of the first day of the leave. Except when emergency conditions exist, these leaves should be requested two (2) weeks in advance so that there is ample time for the forms to move through the appropriate channels. While the principal/department head has the discretion to deny requests for personal leave, employees shall be notified by September 15 of any time periods during which the administration deems it problematic to grant requests for personal leave, e.g., the time period during which the FSA is administered.

Paid Personal Leave requested for immediately before or after a holiday period will be approved only for the most compelling of reasons, which must be stated and approved in advance.

Paid Personal Leave for School Way Café employees may not be taken during pre-planning, post-planning, in-service days and block out days. If an employee is out for any reason other than sick leave on these days, the employee will not be paid for those days.

A committee shall be formed to develop a School Way Café work calendar for pre-planning, post-planning, in-service days, and block out days. The committee will consist of two (2) representatives chosen by the AFSCME president, a representative from payroll, and two (2) district representatives chosen by the director of School Way Café.

Paid Personal Leave, including the "no reason given" day, may not be taken for employment elsewhere.

Paid Personal Leave days are not cumulative, as such, but only as sick leave days.

Section 4 - Annual Leave

Only personnel employed on a twelve-calendar month basis will be granted paid vacations as follows:

- A. Full Day Employees [eight (8) hours]

1. Employees with less than five (5) years of continuous service will earn eight (8) hours per month of annual leave.
 2. Employees with five (5) or more years of continuous service will earn annual leave at the rate of ten (10) hours per month, or one-hundred twenty (120) hours per year.
 3. Employees with ten (10) or more years of continuous service will earn annual leave at the rate of twelve (12) hours per month, or one-hundred forty-four (144) hours per year.
- B. Annual leave may be accrued up to four-hundred eighty (480) hours for the purpose of terminal annual leave pay. Annual leave may be accrued up to six-hundred twenty-four (624) hours for the purpose of determining annual leave available for use. Less than full day employees will earn the pro rata amount. No days in excess of this amount may be carried forward from September 30 of each year.
- C. Annual vacation leave may not be taken until the individual has been employed six (6) months except with the approval of the Chief Human Resources Officer or department administrator.
- D. Terminal annual leave earned to date will be allowed to individuals who have been employed more than six (6) months.
- E. An employee has the right to terminal annual leave earned in prior years regardless of the conditions of his termination.
- F. Terminal annual leave pay shall be paid into a tax deferral plan adopted by the school board and shall then be paid to the employee in accordance with the terms of such plan.
- G. Annual leave must be requested in advance and in accordance with the applicable departmental procedures. Such procedures shall be consistent with any school board policy or district wide procedures. Employees will be given prior notice if such procedures are changed. Employees may choose their vacation dates by district seniority within the annual leave schedule established by each department director or principal.
- H. Annual leave will be computed and reported on an hourly basis. Effective with ratification of this contract, annual leave may be taken in increments of 15 minutes.
- I. 260-day employees will not be mandated to take annual leave to cover the five (5) mandatory close days. The employee may choose to work during those days.

Section 5 - Other Short-Term Leaves

- A. Temporary Duty
1. Temporary duty leave shall be granted when such duty will cover attendance at required activities, attendance requested by the Superintendent, or participation as a representative of the school system. This is not a leave of absence, but rather an assignment to duty at a location other than the regular place of duty. Such duty shall be requested in advanced and include necessary travel time to and from the location of the activity (example: training, workshops, etc.)
 2. Temporary duty will be granted with pay for the appearance in any legal proceeding connected with the employee's employment, or with the school system or in any other legal proceeding

such as jury duty, or when subpoenaed to appear before a public body or commission or other legal body if required by law to attend excluding personal litigation.

B. Military Leave with Pay

All regular full-time employees who are members of the United States Armed Services Reserves or members of the National Guard Reserves of the United States shall receive compensation up to a maximum of seventeen (17) days absence from their regular work, if they are ordered by the Armed Services Reserves or National Guard to report for temporary active duty provided that:

An employee not receiving annual paid vacations should plan to render his/her military service during the time school is not in session. If this is impossible, requests for leave for temporary military service with military orders attached must be submitted to the Personnel Department sufficiently early to be approved prior to the commencement of the leave.

The Board shall have the right to extend additional benefits to employees called to active duty. The decision of whether or not to extend such benefits is within the sole discretion of the Board. The Board shall notify the Union of any decision to extend such benefits.

C. Unpaid Personal Leave

Application to the immediate supervisor for unpaid personal leave of short duration will be made at least one (1) day in advance, except in cases of emergency, and the applicant for such leave shall not be required to state reasons for taking such leave.

Unpaid personal leave will only be permitted when the employee has exhausted all accumulated leave. An exception to this requirement will be permitted to provide flexibility for employees' currently collecting social security. An employee that seeks unpaid personal leave under this paragraph may be removed, subject to operational needs, from field trip rosters, summer school assignments and may be assigned to the shortest hour day route available in the area assigned as a condition to granting said leave. An employee that seeks to request leave for these purposes shall be required to notify the district two times per year in accordance with procedures and deadlines established by the district. This restriction shall not prohibit unpaid leave being used in the progressive discipline of an employee.

Section 6 - Long-Term Leave Without Pay

Employees are eligible for leave of absence (LOA) for a period of one full year for illness, maternity/infant care, caring for a sick member of the employee's family and voluntary military service. Upon request, reasons for these leaves must be verified. Leave for these purposes may be granted to any employee for the remaining balance of a school year.

A leave maintains an employee-employer relationship during the length of said leave. An employee who desires to return to employment following the termination of a leave shall be given his/her position. While not a guarantee for work site location, the Board will consider the residence location of the employee and potential work sites when making the reassignment decision. If the position has been eliminated, the employee will be assigned to a substantially equivalent position. If the employee refuses the reassignment, he/she will be terminated. If the employee fails to return upon expiration of leave, the employee will be terminated.

A. Maternity Leave and Infant Care Leave

An employee is eligible for maternity leave without pay for a period not to exceed one (1) year. Such leave shall commence on a date determined by the employee and her physician.

1. An employee is entitled, upon request, to use sick/annual leave for the purpose of short term maternity leave.
2. Child Care Leave - An employee may be entitled, upon request, to personal leave without pay to begin subsequent to the birth of his/her child and up to the balance of the current fiscal year.
3. Adoption of Children - An employee may be entitled, upon request, to personal leave without pay to commence subsequent to receiving legal custody of an infant child or prior to receiving such custody, if necessary, in order to fulfill the legal requirements for adoption.

B. Military Leave Without Pay

Military leave will be granted employees in accordance with Florida State Board of Education Administrative Rules. Under present regulations, leave shall be granted to any employee who is required to serve in the Armed Forces of the United States or the State of Florida in fulfillment of obligations incurred under selective service laws or because of membership in reserves of the Armed Forces or the National Guard. Leave shall be for the duration of service plus some reasonable time not to exceed one (1) year, as may be necessary for the employee to be reassigned and resume his/her duties. Employees who enter voluntarily into active duty for extended periods of service will be granted leave in accordance with the general policy governing long term of absence.

Section 7 - Union Leave of Absence

A. Leave

Employees may be granted leave without pay to attend union conventions, conferences or meetings when requested by the employee.

B. Negotiations

The Union may designate certain employees within the bargaining unit to serve as its Negotiating Team and such employees will be granted leave with pay to attend negotiations with the Board.

The above referenced designations will not exceed the following:

SWC Personnel - two (2) employees - no more than one (1) per school

Maintenance Personnel - two (2) employees - no more than one (1) per occupational group

Transportation Personnel - two (2) employees – no more than one (1) employee per geographical area

Custodial Personnel – one (1) employee

Campus Advisors - one (1) employee

Two employees appointed at large by the President of Local 850. No more than one (1) employee from any department.

- C. Union leave may be granted to as many as one employee designated by the Union for the purpose of serving as a representative of the Union or its State or National affiliate. Leave under this section shall be for a period of one (1) year but may be renewed upon request. The Board will be reimbursed for salary and benefits accrued during such leave.

Section 8 - Personal Injury Leave

Whenever an employee is absent from work as a result of personal injury due to battery arising out of and in the course of his/her employment, he/she shall be paid full salary for the period of such absence or the balance of the fiscal year whichever is shorter, if approved by the Board as provided for in Florida Statute 1012.63, without having such absence charged to sick leave. Missed time resulting from psychiatric or psychological conditions resulting from or related to the injury shall not qualify for this leave.

Section 9 - Professional Leave (Non-Union Related)

Employees may request professional leave to attend local, state and national meetings.

Section 10 - Workers' Compensation Benefits

In compliance with Florida Statute Section 1012.63 any employee who sustains an injury on the job shall be entitled to fully compensated illness-in-the-line-of-duty leave not to exceed ten (10) school days during any one school year and Florida Statute Section 1012.63 shall supersede Florida Statute Section 440.11 during that ten (10) day period. The employee must have a note from the authorized treating physician to cover the period of time missed. Any doctor's appointment over three (3) hours requires a doctor's note. Employees are expected to attend work on the days of their doctor's appointment. SICK LEAVE BANK

PURPOSE:

To enable employers to provide protection in cases of long term catastrophic illness and to encourage employees to "SAVE" sick leave for a valuable future economic benefit (terminal leave).

PRINCIPLES:

1. To become a member of the Sick Leave Bank, an employee must have accumulated ten sick leave days at the annual enrollment period.
2. Enrollment will be open year round.
3. To utilize "bank days," the member must have been a member of the sick leave bank for at least ninety (90) days and must first use all other accumulated days and be off the payroll for five days. Sick Leave Bank members who elect to cash-out their available sick leave balance at the end of the previous fiscal year and then request "bank days" will be required to go on unpaid leave for the same amount of time that was cashed-out. At the end of the unpaid leave period, sick bank days may be accrued. This requirement will not affect those who have used all their sick leave days due to illness or injury, nor does this requirement affect employees who are in DROP and their annual sick leave 20% cash-outs.
4. Members will be granted two times the number of days they have accumulated at the beginning of their illness to a maximum of 50 days.
5. Days from the bank may only be used for extended personal physical or mental disability.
6. The bank will be administered by the union.
7. In case of extreme hardship, the bank administrators may grant additional days voluntarily given by other bank members.
8. If the bank is depleted during the school year, members may be assessed up to two additional days in any given year.
9. The union will determine the eligibility of membership in the Sick Leave Bank.
