#### **5.1 APPLICATION**

Except as modified by a specific provision of this Agreement, the Orange County's Policies, Operational Regulations, Rules & Regulations, County and divisional standard operating procedures and any amendments or modifications thereto shall govern the employees covered hereunder. ## **ARTICLE 6**

### **SAFETY AND HEALTH**

#### **6.1 COOPERATION**

The Union and County shall cooperate in the enforcement of Orange County safety rules and regulations and all Florida Statutes regarding safety and health and shall promote sound safety practices for the protection of both the employees and the public with the continuing objective of eliminating accidents and health hazards.

Employees who believe that they have been given an unsafe directive or work assignment shall address their concern via the Health Services chain of command.

#### **6.2 SAFETY MEETINGS**

The County and the Union agree to meet and confer on matters of safety upon the written request of the other. The Director of Health Services or his/her designee shall request and represent the County, and the Union Chairman his/her designee shall request and attend these meetings for the Union. The written request shall state the nature of the matters to be discussed and the reason for requesting the meeting.

Discussion shall be limited to matters set forth in the request. It is understood that these meetings shall not be used to renegotiate this Agreement. Such meetings shall be scheduled within ten (10) working days of the receipt of the written request and at a time and place mutually agreeable to both parties. Upon request, the County shall provide a written response to the Union's concerns.

## ARTICLE 7

### DRUG TESTING

- 7.1 The County and the Union mutually agree that employee substance and alcohol abuse constitute a danger to the employee, fellow employees and the general public. It is further agreed that the safety of public property and equipment is placed in jeopardy if an employee is under the influence of a controlled substance, narcotic, drug or alcohol. Furthermore, the Union and the County will work together to provide a drug-free workplace as defined under Florida Statute 440.102. It is the policy of the County that the unlawful manufacture, sale, distribution, dispensation, possession or use of drugs or alcohol, as determined by federal or state law, whether on-duty or off-duty or being under the influence of drugs or alcohol in the workplace, on County property or as part of any County activities is expressly prohibited.
- 7.2 To allay public concerns regarding substance and alcohol abuse by Public employees and to mitigate the danger to other employees in the workplace, the County and the Union mutually agree that the following provisions will be implemented.
- A. The Department Director or his/her designee may order an employee to submit to any type of random toxicology or alcohol testing deemed appropriate. Employees shall be selected for random testing in such a manner as to ensure that each employee, regardless of his/her position, will have an equal chance of selection. Thereafter, the provisions of paragraphs C, D, E and F below shall apply.
  - B. Upon reasonable suspicion that an employee has been on duty or has reported on duty with any controlled substance, narcotic, drug or alcohol in his/her system; or, if an employee has been arrested for any drug related offense, the Department Director or his/her designee may order an employee to submit to any type of toxicology or alcohol testing deemed appropriate. Thereafter, the provisions of paragraphs C, D, E and F below shall apply. For the purpose of this paragraph, the term "reasonable suspicion" shall mean a belief on the part of the Department Director, his/her designee or any division supervisor that the information upon which the suspicion is based is reliable. For documentation purposes, this information shall be reduced to writing within a reasonable time of the order to submit to testing. Any on-the-job injury or accident involving a bargaining unit member or any evaluation that prevents an employee from being eligible for an annual pay increase, constitutes reasonable suspicion under this article.
  - C. A County-designated physician and/or other appropriate County-designated entity will collect test samples and a proper chain of custody will be established to insure the veracity of test results. An independent laboratory contracted by the County will conduct tests. This laboratory will

be state-certified with professional association certification by internal and external proficiency testing.

- D. When an employee is directed to provide an original specimen, the specimen will be divided into two (2) parts and appropriately labeled one and two with the date and time of the collection. The laboratory will conduct a screening test on the first portion and, if the laboratory test yields a positive result, then the laboratory will conduct a confirming test on the first part of the sample that was tested by gas chromatography/mass spectrometry to verify the positive test result. If the first-tested portion is confirmed as a positive result, the employee will be suspended without pay pending the results of any drug test investigation and while awaiting the results of any re-test, if requested. If the employee does not request that the second portion be tested, the employee will be discharged from employment.
- E. Upon written request from the employee, the laboratory will conduct a test on the second portion of the original sample, if the request is received within seventy-two (72) hours of the time the employee is notified of a positive test result on the first portion of the original sample.

If requested to conduct a test on the second portion, the laboratory will confirm any positive test result by a gas chromatography test on the second portion of the original sample. If the employee does not request that a second portion be tested, or the second portion is tested and yields another positive result, the employee will be subject to disciplinary action, up to and including discharge from employment.
- F. For alcohol testing purposes, employees will be asked to provide test samples that will be submitted to an appropriate alcohol testing procedure. For the purposes of this article, the County and the Union mutually agree that a 0.04 or greater level will deem the employee to be impaired and will be considered a positive test result. A positive test result will result in discharge from employment.
- G. Employees who are using any over-the-counter drugs or medications or any drugs or medications lawfully prescribed by a physician shall provide this information to the entity obtaining the samples at the time the samples are provided.
- H. Employees who refuse to comply with the provisions of this Article, including but not limited to refusing to report for drug and/or alcohol testing at the time and place directed, or tampering with test samples at anytime during the process will be discharged.
- I. The parties agree that the test results and all other medical reports shall remain confidential and not subject to public release. The County in any

litigation or arbitration in which it is involved with an employee may use the test results and all other medical reports to the extent it deems necessary.

- J. The County intends to provide the opportunity for employees to enter a County-approved/sponsored rehabilitation program. The parties agree that the County has the sole authority to determine whether to maintain and/or continue any County –approved/sponsored rehabilitation program and that the County, in its sole discretion, may limit any approval for an employee to enter such program. An employee may be allowed to voluntarily enter such program, prior to being directed to report for drug/alcohol testing, assuming the employee has no history of substance influence or use, that no disciplinary action is pending and the employee has done nothing for which he/she could be subject to disciplinary action at the time of such request. The County and the Union encourage employees to volunteer in seeking assistance by way of professional counseling. If an employee volunteers for assistance, his/her situation would be reviewed on a case-by-case basis before any decision is made to impose discipline.
  
- K. If an employee enters a County-approved/sponsored rehabilitation program in accordance with paragraph J., then, upon successful completion of rehabilitation (as determined by a County–designated physician) the employee shall be returned to work in his/her regular position or an available position. If follow-up care is prescribed after treatment, the County may impose such as a condition of continued employment.

Immediately upon an employee's discharge from a rehabilitation program, the employee will provide the County with documentation of the follow-up care requirements as well as permission for the County to ascertain whether the employee has been and/or is abiding by the program requirements. Moreover, it is agreed that entry into such a rehabilitation program shall be deemed to constitute reasonable suspicion that the employee has in his/her system or is using controlled substances, narcotics, drugs or alcohol and that, accordingly, the employee may be subject to testing at the discretion of management at any time for a period of two (2) years from the employee's return to work or for any longer period of time specified by a County-approved/sponsored rehabilitation program. Should an employee refuse to submit to testing in accordance with the provisions of this paragraph, to voluntarily enter a County-approved/sponsored rehabilitation program, to successfully complete and otherwise comply with the requirements of such program, to comply with the requirements of any follow-up care; or, should the employee test positive for drugs or other controlled substances, narcotics, or drugs or alcohol, the employee shall be immediately dismissed.

- L. The County retains the absolute right and discretion to determine whether the specific circumstances of positive test results warrant discharge or lesser disciplinary action. The failure of the County to impose a particular disciplinary action in one situation will not prejudice the County's right to impose such (or a different) disciplinary action in another situation. Similarly, the failure of the County to extend an opportunity to enter any County-approved/sponsored rehabilitation program will not prejudice the County's right to extend the opportunity in another situation.

## **ARTICLE 8**

### **PERFORMANCE EVALUATION**

- 8.1 Employees shall be evaluated at least annually, within thirty (30) days of the employee's PeopleSoft Review Date unless there are extenuating circumstances, by an appropriate member of management. All employee evaluations shall be a standard format approved by management and in writing. Immediately after the evaluation is signed by the employee, a copy must be provided to the employee.
  
- 8.2 In the event an annual performance evaluation causes an employee to be ineligible to receive an annual wage increase, the employee may discuss the performance evaluation with his/her immediate supervisor that completed the evaluation within ten (10) working days of receipt of the evaluation. If the employee is not satisfied with the decision of the immediate supervisor he/she may within ten (10) working days after the meeting with the immediate supervisor request that the Division manager or designee review the evaluation. If the employee is not satisfied with the decision made by the Division manager, the employee within ten (10) working days may request that the Department director or designee review the evaluation. The review and decision of the Department director or designee shall be considered final and shall not be subject to the Grievance Procedure of this Agreement.

## **ARTICLE 9**

### **DISCIPLINARY PROCEDURES**

#### **9.1 STANDARDS FOR DISCIPLINE**

The County and the Union agree that all employees are subject to the terms of this Agreement, to the rules, regulations and procedures used by the Department, and those set forth in the County Policy Manual and Operational Regulations, SOP's, and Regulations. Disciplinary action may include the following:

- Oral Warning
- Written Reprimand
- Reassignment (Demotion)
- Suspension
- Discharge

Disciplinary action shall be subject to the grievance procedure. This section shall not apply to counseling and/or instruction.

All members, as well as non-dues paying employees of Health Services Division of the Health Services Department, will follow all written and/or verbal orders from superiors, even if such orders are alleged to be in violation of or in conflict with this Agreement.

#### **9.2 REPRESENTATION AT MEETINGS**

Members of the Bargaining Unit have the right to request Union representation at all meetings with management when the employee reasonably believes disciplinary action may result. Employees, including non-dues paying employees, may request the presence of an employee or other representative in all meetings with management when the employee reasonably believes he/she may be disciplined.

#### **9.3 DURATION OF DISCIPLINE**

Verbal warnings and written reprimands shall not be considered as a basis for further disciplinary action if there has been no disciplinary action taken against an employee for eighteen (18) months from the last date of disciplinary action.

#### **9.4 INVESTIGATION PROCEDURES**

All investigations of employee misconduct will be conducted in accordance with Orange County Policy Manual and Operational Regulations, or Standard Operating Procedures of Orange County and/or the Department and all applicable Florida Statutes.

## 9.5 COMPLETION OF INVESTIGATION

Investigations conducted internally within and by the Health Services Department into alleged employee misconduct will normally be completed within forty-five (45) working days of the date of the commencement of the investigation. If the Department needs an extension of time to complete an investigation, the Department will send a letter to the Union and the employee notifying them of a forty-five (45) working day extension of the investigation.

Investigations not completed within forty-five (45) working days shall be classified as "closed with no findings" unless an extension(s) is/are noticed.

## 9.6 RESIGNATION

Any member of the bargaining unit may resign at any time during an investigation. Any employee electing to voluntarily resign during a pending investigation waives the right to any claim or action under the grievance and arbitration provisions of the Agreement.

## 9.7 NO DISCIPLINE WITHOUT PROPER CAUSE

No member of the bargaining unit will be disciplined or discharged without proper cause.

9.8 The Union may conduct an investigation concerning discipline imposed on any member of the bargaining unit. The Union will be granted access to the facility, witnesses and documents as required by law. Normally, such investigation shall be conducted on non-working time by a union designated employee (steward or officer). To the extent the investigation involves the interviewing of witnesses at the facility, it must be during non-working time of the investigator and the employee being interviewed.

9.9 Orange County reserves the right to suspend an employee without pay for a reasonable period of time pending a Predetermination Hearing with the written approval of the Human Resources Director.

# ARTICLE 10

## GRIEVANCE PROCEDURE

### 10.1 DEFINITION OF GRIEVANCE

For purposes of this contract, the term grievance shall mean any dispute between the Employer and the Union concerning an alleged breach or violation of this Agreement that is grievable pursuant to Orange County Policies and Procedures. Probationary employees shall not be entitled to access the grievance procedure for disciplinary action.

## 10.2 INITIAL STEPS OF GRIEVANCE

Any alleged grievance shall be taken up with the employee's immediate supervisor prior to the grievance being submitted to the Division Manager. Each grievance will be presented in the manner described herein and shall not be considered or entertained unless so presented. The grievance may be filed either by a Bargaining Unit member or by the Union. Union grievances shall automatically be handled at Step Two. A grievant and management may mutually agree to waive Step One in any grievance.

Both the Employer and the Union agree that it is best when disputes are settled at the earliest possible point and as such, except where the Union is filing the grievance, the County and the Union agree that the employee and Union will make an effort to discuss the issues with the immediate supervisor in order to resolve the issues before a grievance is filed. Grievances should be raised at the earliest time possible. All grievances must be raised within ten (10) working days after the grievant or the union knew or should have known of the action being grieved.

Grievances must be processed in the manner prescribed herein and in strict accordance with all time limits. No grievance shall be considered proper or need to be processed, unless made pursuant hereto and unless it alleges a violation of this Agreement or depends upon the interpretation or application of one or more of the provisions hereof.

## 10.3 PROCESSING OF GRIEVANCES

Grievances will be processed in the following manner:

- A. The Grievance shall be filed on a proper form provided by the County and shall refer to the provision(s) of the contract alleged to have been violated and shall set forth the basic facts pertinent to the alleged violation(s).
- B. A matter otherwise constituting a grievance not presented within the time limits and in compliance with this Article shall be conclusively barred on the merits following expiration of the prescribed time limit. Such a time-barred grievance need not be entertained or processed and only facts disputed as timing will be the subject of any arbitration resulting from the matter. A grievance which is for any reason not advanced to Step 2, Step 3, or arbitration within the time limits prescribed herein for such advancement, shall be similarly barred.

Failure on the part of the County to respond within the time limit set forth at any step requires the aggrieved employee or Union to proceed to the next step. Failure on the part of the aggrieved employee or Union to so proceed within the time limit after expiration of the time limit shall cause the matter to be barred, as set forth in this paragraph.

- C. A time limit at any stage of the grievance procedure may be extended by written mutual agreement of the Union and the County.
- D. All grievances shall be dated and signed by the grievant or Union representative. Any decision rendered shall be in writing and shall be dated and signed by the County's representative at that step.
- E. In any grievance, there shall be set forth in space provided on the grievance form or on attachments, if necessary, all of the following:
  - 1. A complete statement of the grievance and facts upon which it is based;
  - 2. The section or sections of this Agreement claimed to have been violated; and,
  - 3. The remedy or correction requested.
- F. In computing time limits under this Article, Saturdays, Sundays and agreed holidays under this Agreement shall not be counted. A working day is one (1) twenty-four (24) hour period. Unless mutually agreed, all grievance hearings will be between 8:00 a.m. and 5:00 p.m., Monday through Friday, except designated County holidays.
- G. Any grievance filed on behalf of or for the benefit of any employee(s) must specifically identify all such employee(s) and may not be amended after completion of Step 2. No monetary or other relief shall be granted or awarded to any employee(s) not so identified.
- H. In all cases requiring the aggrieved employee or the Union to timely present or advance a grievance to a designated County official, the grievance must be submitted to the Human Resources location responsible for supporting either the Corrections or Health Service Department via facsimile, email, or hand delivery during the hours of 8:00 a.m. until 5:00 p.m., Monday through Friday, except designated County holidays. Electronic submission shall not automatically be construed as the County's acceptance of the grievance if the grievance is not submitted timely and/or in accordance with the grievance procedures.

If the grievance is transmitted by facsimile, the grievant must simultaneously forward the original hard copy by interoffice mail or email to the Human Resources location responsible for supporting the Health Services Department no later than the first step of the grievance process.
- I. Nothing in this Agreement shall prohibit the presence of a Union representative(s) at all steps provided in this procedure and/or to present any grievance.

#### 10.4 STEP ONE

An aggrieved employee or the Union shall present the grievance in writing to the aggrieved employee's Division manager or designee within ten (10) working days of the knowledge of the occurrence that gave rise to the grievance. Upon receipt of the grievance, the Division manager or designee shall forward a copy of the grievance to the Director and the Human Resources Director. In the event a grievance is filed by an individual bargaining unit member without Union involvement, the Division manager shall provide a copy of the grievance to the Union offices.

The Division manager or designee will, if requested, meet with the Union and the grievant to discuss the grievance. The Division manager will make a decision and communicate it in writing to the grievant, the Union and the Human Resources Director on the prescribed form within ten (10) working days from the date the grievance was received or the date on which the requested meeting was held, whichever is later.

#### 10.5 STEP TWO

If the grievance has not been resolved with finality at Step One, the aggrieved employee or Union may, within ten (10) working days following the answer provided at Step One, present the grievance in writing on the original grievance form to the Director of Health Services Department or his/her designee. The Director or designee shall conduct a meeting with the grievant within ten (10) working days of receipt of the written grievance. The grievant may be accompanied at this meeting by a Union representative, who shall have full authority to speak for or act on behalf of the grievant.

The Director or designee will make a decision and communicate it in writing to the Union, the grievant and the Human Resources Director on the prescribed form within ten (10) working days after the meeting date.

An oral warning or written reprimand cannot go past Step Two. Probationary employees cannot go past Step Two (2) for any non-disciplinary grievance.

#### 10.6 STEP THREE

If the grievance is not fully resolved in Step Two, the Director or designee will forward the original written grievance to the Human Resources Director and a copy to the Union within ten (10) working days. If the employee fails to sign the original grievance package, the Director has no obligation to submit it to either Human Resources Director or the Union and the grievance shall be considered closed. All memoranda, correspondence and documentation considered in Steps One and Two shall be attached to the original grievance form. Human Resources shall notify the grievant within ten (10) working days, of the date of the Grievance Adjustment Board (GAB) Hearing.

The Grievance Adjustment Board shall consist of an Orange County Director or designee, a Union designee not involved in the grievance, and one other employee from outside the Health Services Division at the level of Assistant Manager or above. A majority decision of the Grievance Adjustment Board shall be determinative of the grievance. The County shall notify the grievant and Union of the Board's decision in writing within ten (10) working days following the meeting.

## 10.7 ARBITRATION

If a grievance is not resolved by the foregoing grievance procedure, the Union within ten (10) working days after the Grievance Adjustment Board's decision, shall give to the County, by hand delivery or by registered or certified mail, written notice of its desire to submit the matter to arbitration. Said written notice shall include a written statement of the position of the Union with respect to the arbitrable issues.

Within ten (10) business days of such notice, the union shall request from the Federal Mediation and Conciliation Service a list of seven (7) arbitrators experienced in the field of the subject to be arbitrated. The list will be sent to both the Union and the appropriate County representative. Within ten (10) business days after receipt of the list of arbitrators, the Union and Employer shall, beginning with the Union, alternately eliminate names one at a time from the list of persons, until only one remains and this person shall be the arbitrator. Failure to adhere to the time limits in this paragraph shall be considered a withdrawal of the request for arbitration and the grievance will be considered resolved on the basis of the decision of the GAB.

After the Union gives notice of its intent to arbitrate, the parties may agree to conduct mediation through the Federal Mediation Conciliation Service prior to the date of the arbitration hearing.

## 10.8 CONDUCT OF HEARING

- A. As promptly as possible after the arbitrator has been selected, he/she shall conduct a hearing between the parties and consider the subject matter of the dispute. The written decision of the arbitrator will be served upon the County and the Union.

The County may, in its sole discretion, allow such activity to occur during working time.
